story of Becky's life in Jamaica and the struggles abuse and hurt she had to endure from the very people who vowed to love and protect her. The disappointments and hurt Becky endured are what some psychologist might phrase as survival of the fittest. She lost both parents at an early age and had to live with her grandmother. Living an adult life for Becky began after that. She spent time on and off the streets. She was forced to marry at an early age and was physically abused by her husband. She was almost raped by family members who were old enough to be her father. She was however given a second chance when she met a man that introduced her to opportunities.

A Longing for Impossible Things David Borofka, 2022-03-08
A powerful short story collection that charts the yearning inherent in imperfect lives. Winner of the American Fiction Award for Short Story Fiction by the American Book Fest. I'm a seeker, the narrator of *My Life as a Mystic* says. A watcher of the skies. A pilgrim and a wanderer. I don't know. I couldn't stand law school. Such are the polar sentiments of the characters in the stories of David Borofka's *A Longing for Impossible Things*, which charts the yearning inherent in imperfect lives. Taking their cue from Fernando Pessoa's painful landscape of longing for the impossible, the ministers and missionaries of Fire and Coincidence look for more than what they find in their respective theologies; they reject what they've been told in favor of what they feel. Meanwhile, everyday believers fall back upon their own intuition and pray for revelation to be forthcoming. Lovers are forced to recognize the finite limitations of their grand infatuations even as they hope for some small measure of long-lasting tenderness while teenagers resign themselves to the inevitable disappointments of adult life, recognizing the threats that exist in a future that is yet to unfold. And as the narrator of *Attachments for the Platonically Inclined* says in the context of a 300 game in bowling, I can't help but be reminded of perfection when perfection was difficult to find. And impossible to hold onto. Reminded that there are moments when everything works as it is supposed to, a harmony beyond applause or appreciation from others.
