## **Five Similarities Ways Of Nsfas And Other Student Loans:**

The Next Twenty-five Years David Lee Featherman, Marvin Krislov, Martin Hall, 2009-12-08 A penetrating exploration of affirmative action's continued place in 21st century higher education. The Next Twenty five Years assembles the viewpoints of some of the most influential scholars, educators, university leaders and public officials. Its comparative essays range the political spectrum and debates in two nations to survey the legal, political, social, economic and moral dimensions of affirmative action and its role in helping higher education contribute to a just, equitable and vital society. David L Featherman is Professor of Sociology and Psychology and Founding Director of the Center for Advancing Research and Solutions for Society at the University of Michigan. Martin Hall is Vice Chancellor of the University of Salford Greater Manchester and previously was Deputy Vice Chancellor at the University of Cape Town. Marvin Krislov is President of Oberlin College and previously was Vice President and General Counsel at the University of Michigan.

**Quality and Inclusion in Education** N.V. Varghese, Anjana Mangalagiri, A. Mathew, 2023-05-12 This book calls for an equitable and qualitative access to education for all. It proposes paradigms of educational governance that are based on coalition building between key stakeholders, are grounded in local and cultural contexts sensitive to the language needs of communities. It underlines the significance of gender sensitive and inclusive approaches that ensure equity for marginalized children and minorities. Based on research based studies, the volume focuses on equity, quality and learning covering a broad spectrum from school to higher to adult education. It discusses the multiple learner deprivations amongst the marginalized communities and the severe impact of events such as pandemics that exacerbate learner inequities and the recent developments in India under the National Education Policy 2020. It also presents research based country experiences in the Asian, India, Bangladesh, China and African, Ghana, South Africa contexts showing how external influences on the changing priorities in policy perspectives cut across developing countries. Compiled in honour of Professor R Govinda, this volume of insightful articles will be of interest to students and researchers of educational policy and studies, sociology of education, equity and human rights. It will also be useful for decision makers and think tanks.

The Youth Dividend Jan H. Hofmeyr, 2012 Knowledge Beyond Colour Lines Monwabisi K. Ralarala, Salochana Lorraine Hassan, Rajani Naidoo, 2021-05-25 Knowledge remains timely in education. The need for academics to contemplate its relevance, worth, use and everything in between, deems a continuous intellectual project rather than a conundrum to be solved. This book takes the South African context by the horns as it challenges the often dormant and traditionalist ways in which higher education spaces see knowledge. Through original research and the voices of academics and students, this book argues for repurposing knowledge generation, knowledge sharing and critical pedagogy so that more inclusive teaching and learning environments can be both imagined and sustained. The contentious tensions that this creates for LoLT and SoTL in particular are unlocked so as to trouble the South African higher education landscape with the intent to proffer alternative pathways for a knowledge beyond colour lines. Prof Shan Simmonds

PhD NWU This edited volume bristles with fresh scholarly approaches and insights of an emergent generation of engaged scholars grappling with the issues and problems of higher education in South Africa The issues dealt with here are varied and encompassing They are treated with intellectual delicacy and probing sensitivity articulacy informed data and bold conclusions They serve well Prof Kwesi Kwaa Prah Emeritus Professor of Sociology University of the Western Cape Founder of the Centre for Advanced Studies of African Society

**Open Learning as a Means of Advancing Social Justice** Tabisa Mayisela, Shanali Govender, 2024-01-23 This volume investigates the uptake of open learning in South African Technical Vocational Education and Training TVET colleges and higher education institutions Comprised of 16 studies focused on activities at a range of colleges and universities across the country these chapters aim to promote a better understanding of open learning practices across the Post School Education and Training PSET sector including issues such as recognition of prior learning access for students with disabilities work integrated learning professional development novel student funding mechanisms leadership for open educational practices institutional culture student support blended and online learning flexible learning online assessment open educational resource development models and funding and micro credentials This collection of peer reviewed chapters contributes to understanding the ways in which South African PSET institutions and educators are interpreting open learning as a means of advancing social justice It includes a historical and contemporary understanding of the economic cultural and political obstacles facing PSET drawing on Nancy Fraser s theory of social justice as participatory parity to better understand the ways in which open learning may address systemic social injustices in order to allow South African students and educators to thrive This volume emerges from research conducted by the Cases on Open Learning COOL project an initiative by the Department of Higher Education and Training in partnership with the Centre for Innovation in Learning and Teaching CILT at the University of Cape Town UCT in South Africa

[Transforming Universities in South Africa](#) ,2020-08-31 The idea of transformation in higher education underpins all policy documents academic literature and on going debates in South Africa Transforming Universities in South Africa Pathways to Higher Education Reform responds to the pressing need to comprehensively review the post apartheid experience and assess where South Africa s higher education stands across the continent and globally particularly within the country s efforts to overcome decades of socio economic imbalances It addresses the question of whether South Africa s transformation strategy from apartheid to democracy was simply a symbolic new flag raising and new anthem singing exercise reflecting a transition akin to those limited decolonization projects elsewhere in the world or whether something more fundamental was possible and was achieved with political and policy implications for other countries in Africa and globally This volume s ultimate purpose is to provide a basis for imagining new futures in which South Africa higher education in the context of Africa and the global world takes centre stage

**Student Loan Schemes** ,2009 *Social Justice and Education in the 21st Century* Willie Pearson Jr., Vijay Reddy, 2021-04-10 The world is not an equal place There are high and low income countries and high and

low income households For each group there are differential educational opportunities leading to differential educational outcomes and differential labor market opportunities This pattern often reproduces the privileges and inequalities of groups in a society This book explores this differentiation in education from a social justice lens Comparing the United States and South Africa this book analyzes each country s developmental thinking on education from human capital and human rights approaches in both primary and higher education The enclosed contributions draw from different disciplines including legal studies sociology psychology computer science and public policy
