Refutations Cyril of Alexandria,2018-10-23 Cyril of Alexandria was one of the earliest Christian apologetics as he fought against many types of false teaching varying in degree Although the teachings that he was very carefully refuting were not really Gnostic in thought it is easy to see the Gnostic areas of influence that many of this opponents had These various books collected here are presented to make it easier not only to read the truth as was needed back in the early church but also the arguments set forth by Cyril so that we can learn from the past and not fall into the same schools of false teaching today
