Golf Buddy User Manual:

The Manual to Manhood Jonathan Catherman, 2014-04-15 There's a lot a guy needs to know as he grows up and makes his way in the world. And a lot of it he wouldn't necessarily want to have to ask about because then well, people would know he didn't know what he was doing. For all the guys out there who want to have it all together, Jonathan Catherman offers this collection of one hundred step-by-step instructions on almost everything a guy needs to know, including how to wear cologne, correctly manage a credit card, talk to a girl, plan a date, write a résumé, ask for a reference, clean a bathroom, throw a football, change a tire, behave during a traffic stop, fold a shirt, tie a tie, grill a steak, clear a sink, drain, find a stud in a wall. In fact, if it's in here, it's an important skill or character trait practiced by capable and confident men. With great illustrations and a supporting website, this all-in-one reference tool for young men in the making is the perfect gift for birthdays, graduations, or any occasion.
