

## **Goodbye Letter to Students**

To,

[The Class Name],

Date: DD Month, YYYY

Dear Students,

I have already mentioned this to some of you throughout our discussions in the past week, and now I am writing this letter with mixed emotions to let you all know that I have decided to pursue my PhD and hence will be completing my teaching tenure with the end term examinations. It has been an absolute pleasure teaching you all, and I will always treasure our interactions.

While it is I who was supposed to teach you all, I have learnt a lot of different things from every one of you. These are some of the memories I will take with me to my next destination. I want to thank all of you from the bottom of my heart to have made this such an enriching experience for me.

However, not being around certainly does not mean I will not be accessible to my students. Over time you have become family to me, and I look forward to hearing from you. Feel free to reach out to me at [Email Number] and [Phone Number].

Wishing you all great happiness and success in your future.

Best Regards,

[Sender's Name]

**Trauma-Proofing Your Kids** Peter A. Levine, Ph.D., Maggie Kline, 2008-03-04 Understand the different types of upsets and traumas your child may experience and learn how to teach them how to be resilient confident and even joyful The number of anxious depressed hyperactive and withdrawn children is staggering and still growing Millions have experienced bullying violence real or in the media abuse or sexual molestation Many other kids have been traumatized from more ordinary ordeals such as terrifying medical procedures accidents loss and divorce Trauma Proofing Your Kids sends a lifeline to parents who wonder how they can help their worried and troubled children now It offers simple but powerful tools to keep children safe from danger and to help them bounce back after feeling scared and overwhelmed No longer will kids have to be passive prey to predators or the innocent victims of life s circumstances In addition to arming parents with priceless protective strategies best selling authors Dr Peter A Levine and Maggie Kline offer an antidote to trauma and a recipe for creating resilient kids no matter what misfortune has besieged them Trauma Proofing Your Kids is a treasure trove of simple to follow stress busting boundary setting sensory motor awareness activities that counteract trauma s effect on a child s body mind and spirit Including a chapter on how to navigate the inevitable difficulties that arise during the various ages and stages of development this ground breaking book simplifies an often mystifying and complex subject empowering parents to raise truly confident and joyful kids despite stressful and turbulent times *Goodbye to All That?* Dan Stone, 2014 Shows how the anti fascist consensus prevalent throughout Europe following World War II has been crumbling since the 1970s and how globalization deregulation the erosion of social democratic welfare capitalism in the West and the collapse of the Communist alternative in the East are leading to a social divisive politically dangerous rise of fascism that could threaten the peace of Europe *The Indian Student's Letter-writer* Upendra Nath Sen, Jatindra Nath Sen, 1902 *MAKING THE MOST OF STUDENT TEACHING: Successful Student Teaching for the Aspiring Educator* Michelle Kurchian, M.Ed, Catherine Giles, M.Ed, 2015-01-21 Making the Most of Student Teaching Successful Student Teaching for the Aspiring Educator Letter from China Peter James Froning, 2003-12-12 [http://mysite.verizon.net/letter\\_from\\_china/](http://mysite.verizon.net/letter_from_china/) Letter from China is a poignant and irreverent diary of the author s yearlong 2001-2 experience of teaching English to college students in Beijing Peoples Republic of China From the very first pages the author draws you into his struggle with a culture worlds away from his comfort zone The authors generous and compelling personality allowed him to gain access to the lives of his students and their families who became characters in his tale One can experience the authors wit and humanity throughout the narrative The author s humorous view of China is especially timely and dovetails with the current explosion of interest in that country as it enters the modern world The book is neither a travelogue nor a look at the government although elements of those subjects are woven into the story Instead it is an engaging look at China tailored toward those who know little about it Still those who have lived and or traveled there will also enjoy the book as it reminds them of the absurdities they too experienced
