PROFESSOR WOGGLEBUG S GREAT IDEA The very thing exclaimed Professor Wogglebug bounding into the air and upsetting his gold inkwell The very next idea Who me A round faced little Munchkin boy stuck his head in the door and regarded Professor Wogglebug solemnly He was working his way through the Professor s Athletic college and one of his duties was to wait upon this eminent educator of Oz Certainly not snapped Professor Wogglebug You re a nobody or a nothing Stop gaping and fetch me my hat I m off to the Emerald City And mind the pupils take their history pills regularly while I m gone he added clapping his tall hat Zif held out to him on the back of his head Yes sir said the little Munchkin respectfully Don t hurry back sir This last remark the Professor did not hear for he was already half way down the college steps Ozma will be delighted with the idea How clever I am he murmured twirling his antennae and walking rapidly down the pleasant blue lane The Professor whose College of Art and Athletic Perfection is in the southwestern part of the Munchkin country is the biggest bug in Oz or in anyplace else for that matter He has made education painless by substituting school pills for books His students take Latin history and spelling pills they swallow knowledge of every kind with ease and pleasure and spend the rest of their time in sport No wonder he is so well thought of in Oz No wonder he thinks so well of himself Swinging his cane jauntily the Professor hurried toward the yellow brick road that leads to the Emerald City and by nightfall
