forevermore I would eat pigs You could have a pork chop one day pulled pork another and cured bacon the next day and they
d all taste completely different You can t do that with chicken Chicken tastes like chicken no matter what part of the animal
you eat And I love beef and lamb but they don t have the amazing versatility of pork Pork can be the star of the show or a
background flavor But no matter where it shows up pork is always welcome on my table from the introduction Kiss a Pig On
