**Gospel for the Outsider** Patrick Whitworth, 2014-12-01 A useful study guide or resource for individuals and bible study groups who want to take a fresh look at familiar material This book looks again at Luke's writings from the point of view of reaching outsiders *Luke (Teach the Text Commentary Series)* R. T. France, 2013-11-19 The Teach the Text Commentary Series utilizes the best of biblical scholarship to provide the information a pastor needs to communicate the text effectively The carefully selected preaching units and focused commentary allow pastors to quickly grasp the big idea and key themes of each passage of Scripture Each unit of the commentary includes the big idea and key themes of the passage and sections dedicated to understanding teaching and illustrating the text *Reading the Way, Paul, and "The Jews" in Acts within Judaism* Jason F. Moraff, 2024-01-25 Jason F. Moraff challenges the contention that Acts' sharp rhetoric and portrayal of the Jews reflects anti-Judaism and supersessionism He argues that rather than constructing Christian identity in contrast to Judaism Acts binds the Way Paul and the Jews together into a shared identity as Israel and that together they embark on a journey of repentance with common Jewishness providing the foundation Acts leverages Jewish kinship language cult and custom to portray the Way Paul and the Jews as one family debating the direction of their ancestral tradition Using a historically situated narrative approach Moraff frames Acts' portrayal of the Way and Paul in relation to the Jewish people as participating in internecine conflict regarding the Jewish tradition in crisis after the destruction of the temple By exploring ancient ethnicity Jewish identity and Lukan characterization images of the Jews the Way and Paul violence in Acts and the theme of blindness in Luke's gospel the Pauline writings and Acts Moraff stresses that Acts speaks from among my own nation meaning the Jews and makes it possible to understand Acts' critical characterization of the Jews within Second Temple Judaism **Transforming Mission: Paradigm Shifts in Theology of Mission** David J. Bosch, 2011 David Bosch's Transforming Mission now available in over a dozen languages is widely recognized as an historic and magisterial contribution to the study of mission Examining the entire sweep of Christian tradition he shows how five paradigms have historically encapsulated the Christian understanding of mission and then outlines the characteristics of an emerging postmodern paradigm dialectically linking the transcendent and imminent dimensions of salvation In this new anniversary edition Darrel Guder and Martin Reppenhagen explore the impact of Bosch's work and the unfolding application of his seminal vision **A Handbook on the Jewish Roots of the Gospels** Craig Evans, David Mishkin, 2022 A survey of the historical theological and practical issues of reading the Gospels as Jewish literature Includes over thirty articles by well known experts on current topics relating to Jesus and the Gospels in light of new developments in archaeology ancient texts and Jewish society in late antiquity **New Testament Theology in Light of the Church's Mission** Jon C. Laansma, Grant Osborne, Ray Van Neste, 2011-11-09 This book offers important new case studies in understanding the theology and praxis of mission in the New Testament and in reading the New Testament for mission Significant scholars from around the world

explore aspects of the missional theology of the Gospels Acts Paul Hebrews and Revelation The essays are offered as a fitting tribute to I Howard Marshall one of the most outstanding evangelical New Testament scholars of his generation **Luke;**

Planned and written specifically for teaching and preaching needs this critically acclaimed biblical commentary is a major contribution to scholarship and ministry *Studies in the Gospels and Epistles* Thomas Walter Manson,Matthew Black,

**An Ecological Feminist Reading of the Gospel of Luke** Anne F. Elvey,2005 Central to the ecological feminist approach is the notion of the material given developed in conversation with Gayatri Spivak s reading of the pregnant body as prepropriative Jacques Derrida s reading of the gift and Jean Luc Marion s understanding of givenness This use of postmodern discourse to inform an ecological feminist hermeneutics is an innovation in ecofeminist theology and biblical studies

**Christianity and the Outsider** James W. Geiger,2012-10-08 What does Christianity have to say about the salvation of the African tribesman who died before the missionaries arrived and the great sorrow of the Messianic Jew who grieves for family and friends who did not or will not acknowledge his Jesus as their Messiah C S Lewis said these outsiders represent the scandal of exclusivity Jim Geiger is a Christian insider and fully committed to the exclusivity of Christ s atonement However he is suggesting an expanded Christology where The constant speed of light in  $E=mc^2$  corroborates the constant Christ of Heb 13:8 Special and general relativity model special and general revelation The Christ of general revelation

represents the hope of salvation for some of Christianity's outsiders      *Anti-Judaism and the Gospels* William R. Farmer, 1999-07-01 When and under what circumstances did the Gospel texts begin to serve anti Jewish ends Can it be said accurately and fairly that the evangelists were anti Jewish Are there tendencies in the Gospels that were originally intended by the evangelists to injure the Jewish people or their religion or to work against the interests of the Jewish people and or their religion These and other issues were addressed in a three year research project that culminated in a fall 1996 convocation at which five major research papers were presented with two respondents to each paper The papers and responses are now made available for the first time in this volume Major presentations include Anti Judaism and the Gospel of Matthew Amy Jill Levine Anti Judaism and the Gospel of Luke Daryl D Schmidt Anti Judaism and the Gospel of John David Regensberger Something Greater than the Temple Robert Louis Wilken Anti Judaism in the Critical Study of the Gospels Joseph B Tyson Reflections on Anti Judaism in the New Testament and in Christianity E P Sanders This book succeeds in giving a comprehensive view of the problem it addresses and the papers are clear forthright presentations that will help the reader see what the issues were when the Gospels were written and what they still are E P Sanders Duke University William R Farmer is Professor of New Testament at the University of Dallas and co editor of *Jesus and the Suffering Servant* Isaiah 53 and *Christian Origins* Trinity 1998      **Stewardship and Almsgiving in Luke's Theology** Kyoung-Jin Kim, 1998-03-01 This book starts with questions concerning Luke's idea of the relationship between wealth and discipleship Previous attempts have not succeeded in reconciling the ideas of wealth and poverty with the theme of discipleship in Luke's theology This failure motivates Kim to investigate a new paradigm namely stewardship Reviewing the wide range of material regarding wealth and poverty in Luke Acts he concludes that for Luke a proper way for Christians as stewards to use their wealth is almsgiving in the interests of the poor and needy inside and outside the community      **T&T Clark Social Identity Commentary on the New Testament** J. Brian Tucker, Aaron Kuecker, 2020-02-20 The T T Clark Social Identity Commentary on the New Testament is a one of a kind comprehensive Bible resource that highlights the way the NT seeks to form the social identity of the members of the earliest Christ movement By drawing on the interpretive resources of social scientific theories especially those related to the formation of identity interpreters generate new questions that open fruitful identity related avenues into the text It provides helpful introductions to each NT book that focus on various social dimensions of the text as well as a commentary structure that illuminates the text as a work of social influence The commentary offers methodologically informed discussions of difficult and disputed passages and highlights cultural contexts in theoretically informed ways drawing on resources from social anthropology historical sociology or social identity theory The innovative but careful scholarship of these writers most of whom have published monographs on some aspect of social identity within the New Testament brings to the fore often overlooked social and communal aspects inherent in the NT discourse The net result is a more concrete articulation of some of the every day lived experiences of members of the Christ movement within the

Roman Empire while also offering further insight into the relationship between existing and new identities that produced diverse expressions of the Christ movement during the first century The SICNT shows that identity formation is at the heart of the NT and it offers insights for leaders of faith communities addressing these issues in contemporary contexts Gospels Speak, The Dorothy A. Lee, 2017 This book takes four fundamental questions of human existence including the existence of evil and suffering the pervasiveness of anxiety and fear the quest for personal meaning and the issue of whether a sense of purpose is to be found in human history and creation Each of these questions is addressed in each chapter to one Gospel to see what it has to offer in the light of the good news revealed in Christ **The Nonviolent Messiah** Simon J. Joseph, 2014 When scholars have set Jesus against various conceptions of the messiah and other reemotive figures in early Jewish expectation those questions have been bound up with the problem of violence whether the political violence of a militant messiah or the divine violence carried out by a heavenly or angelic figure Simon J Joseph enters the wide ranging discussion of violence in the Bible taking up questions of Jesus of Nazareth s relationship to the violence of revolutionary militancy and apocalyptic fantasy alike and proposes an innovative new approach Missing from past discussions Joseph contends is the unique conception of an Adamic redeemer figure in the Enochic material a conception that informed the Q tradition and he argues Jesus own self understanding **Blessed One** Beverly Roberts Gaventa, Cynthia L. Rigby, 2002-01-01 Despite her prominence in the Christian narrative Mary largely has been neglected within the Protestant church Widely respected Protestant scholars seek to answer three basic questions Who is Mary How does Mary s story intersect with contemporary life and What does Mary teach us about God *Echoes from the Caves: Qumran and the New Testament* Florentino García Martínez, 2010-01-01 In spite of the amount of literature on the relationship between the Dead Sea Scrolls and the New Testament no consensus among the scholars has emerged as yet on how to explain both the similarities and the differences among the two corpora of religious writings This volume contains a revised form of the contributions to an experts meeting held at the Catholic University of Leuven on December 2007 dedicated to explore the relationship among the two corpora and to understand both the commonalities and the differences between the two corpora from the perspective of the common ground from which both corpora have developed the Hebrew Bible
