After having his heart broken by an unrequited love, dire wolf shifter Baron Sykes needs to get away from work. He doesn't want to deal with shifters' matings or the fact that the man he loves is mated to someone else. When he gets to his family cabin, he finds the locks broken and a squatter inside making himself at home. Except the cute little cat shifter isn't just a squatter; he's a runaway omega from an illegal pack. The lust that hits him is immediate and powerful, and Baron can't turn away from Philip. And he doesn't want to. His true mate is here, calling to him as are all of Baron's protective instincts, as he and his mate spend a perfect night together. Alphas who try to force a mating are known for not giving up, and Baron might not be strong enough to defend Philip from the three shifters coming after him, and the secret Philip carries.

Wolfe has a century under his belt as an Alpha werewolf for a small outcast pack. He loves taking care of those who have been rejected by their birth packs or lost them in accidents or wars. But Wolfe is lonely, as he hasn't yet found his mate to share his burdens of leadership or his passions in bed. One night he catches an alluring scent and gives chase to a cute but surprisingly reluctant guy named Peter. Though smart, funny, and headstrong, Peter is a rabbit shifter. And wolves and bunnies don't mix, do they? Their first encounter certainly suggests so. They seem to have nothing in common. Wolfe is a bounty hunter living on a knife edge of danger, while Peter shelters discarded and wounded animals, believing in peace and mercy. For these two vastly different men, learning to trust one another for a working relationship is a lesson in love.

Dominic Gabardi is living life one day at a time. After waking up from a coma, he has no recollection of his past and struggles every day to find some sense of normalcy. Everything changes when Roderick Morgan walks into his life. Remembering his past takes a backseat when up against his strong attraction toward Roderick. Roderick is a hunter who is set with the task to create peace between his fellow hunters and wolf shifters. In doing so, he must also find a way to keep their secret from the human world that shifters do exist, and he's willing to do whatever it takes to guard that information. When Roderick learns about Dominic's condition, he immediately wants to eliminate the problem for the greater good, that is, until he meets the man. Now Roderick must find a way to help Dominic remember his true nature before he loses control of his wolf and exposes his secret.
