**Ransom Kidnapping in Italy** Alessandra Montalbano, 2023-12-18

For over thirty years, modern Italy was plagued by ransom kidnappings perpetrated by bandits and organized crime syndicates. Nearly 700 men, women and children were abducted from across the country between the late 1960s and the late 1990s, held hostage by members of the Sardinian banditry, Cosa Nostra and the Ndrangheta. Subjected to harsh captivities and psychological abuse, the victims spent months and even years in isolation while law enforcement and the state struggled to find them. *Ransom Kidnapping in Italy* examines this Italian criminal phenomenon. Alessandra Montalbano argues that abduction is a key vantage point from which to understand modern Italy: it troubled the law, terrified society, ignited juridical and parliamentary debates and mobilized citizens. Bringing together archival and media materials with the victims' accounts,

and diverse forms of cultural response the book examines ransom kidnapping through the lenses of historiography law literary criticism trauma studies phenomenology and political philosophy Ransom Kidnapping in Italy traces how and at what price Italians became aware of living in a country that was being blackmailed by criminal organizations that arguably jeopardized the nation even more than terrorism The Good Captain Sean Rabin,2022-04-01 Set in the near future during a time of plummeting fish stocks toxic algae blooms and jellyfish swarms The Good Captain follows a group of radical environmentalists committed to a mission of extreme civil disobedience against the powers threatening to destroy the last of the world's marine life Led by the wild Rena born and raised by the ocean the characterful crew engages in a high seas drama that contains all the thrill of a cat and mouse seafaring classic while at the same time offering a timely warning for the political classes that their negligence will not go unpunished Evoking a disturbing vision of what the world that might soon become random dangerous surprising and sometimes even miraculous The Good Captain is a gripping confronting and truly unique novel If you care about the ocean about extinction about deforestation you'll find yourself immersed in this novel With originality and wit Sean Rabin asks how far is too far when you're fighting to save the planet Jane Rawson author of The History of Dreams and From the Wreck **The Stolen Years** Roger Touhy,2019-11-01 The Stolen Years first published in 1959 is the gripping story of Chicago gangster Roger Touhy who while an admitted beer manufacturer during Prohibition was wrongly convicted of a 1933 kidnapping and would serve more than 25 years in prison for this crime he did not commit The Stolen Years paints a vivid portrait of life in the roaring 20s in the Chicago area where Al Capone ruled the criminal organizations rampant during Prohibition Included are 34 pages of photographs Three weeks after Touhy's release from prison in 1959 and which coincided with the publication of this book Touhy was gunned down by five shotgun blasts His mob linked killers were never found Included are 34 pages of photographs **A shoe for the unborn** Jago Harris,2019-02-06 INTRIGUE DECEIT AND VIOLENCE ON A GLOBAL SCALE One bloody shoe found on a deserted mountainside 10 000 miles away from where they had made love A search that takes you from the corruption and violence of Thailand to the cruel beauty of New Zealand Joanne Li tries to expose a global environmental disaster and is abducted by a huge Maori International photo journalist Dane Morgan tries to find her but corporate gangsters and corrupt politicians try to stop him At stake is a new drug which could help millions and save its biotech developer from financial melt down Governments and corporations will use violence and dirty tricks to stop them exposing the disaster Dane and Jo will have to be equally devious if they are to succeed This new author loves Le Carre and Reacher and it shows Tony R Cox *Evil President's Substitute Wife* Qi DuoEr,2019-12-18 He was the young master of the Shu Family the president of LIP He was ruthless She was the illegitimate daughter of the Liang clan so she was rejected by all sorts of mocking When Fate's spinning wheel tightly pulled the two of them together it caused her to receive bone piercing injuries *House of Fury* Evelio Rosero,2025-02-04 A lyrical yet unforgettably intense portrait of Colombian society by one of the country's most renowned novelists Taking place entirely
