This is How I Roll Jim Hardy, 2023-02-09 The college years are the prime of most young people aEUR tm s lives During this time people experience new adventures new friends and a multitude of other exciting things But what happens when tragedy strikes For Jim Hardy

this was the case One moment Jim was living his life the way he wanted and the next he was navigating his way to a new normal by means of a wheelchair In this autobiography Hardy details the hardships he endured on his road to recovery This is not a story about a tragic accident however This Is How I Roll tells the story of how Jim used his accident to push himself even harder to become successful in life Through the stories detailed in his book the reader comes to realize that a wheelchair is just another part of life and with determination it does not have to hold anyone back This book is meant to be read by all every person trying to find hope in the midst of their own unique challenges the parent terrified of what the future might hold for their child in a world that can be so cruel at times and the kid wanting to understand just what life is like for his friend from school that rolls instead of walks This is a story of success and triumph in the midst of challenges and the reader looking for some form of inspiration should consider taking the time to read This Is How I Roll It just might provide the spark needed in order for that someone to pursue their own dreams **The Winter Star** Robert

Burnett, 2003-01-29 Westburgh Pennsylvania a small quiet town on the outskirts of Wilkes Barre A town with a terrifying history that has long been forgotten When a small prop plane crashes in the woods outside of town a man running from his own past is drawn into a history he has no knowledge of He is told to look for others that can help him and is given a cryptic message What's coming through is alive What does it mean A single phrase linking three unlikely individuals against something they don't understand A horror is reawakening and will bring with it a darkness to the town no one can prepare for Three people chosen to finish something that began nearly a century before Three people formed by a shared past and an allegiance to stop the terror They are the only hope the town has Far Eastern Economic Review, 2002
