Hugh Garners Best Stories:

Best Stories Hugh Garner, 1971 **Hugh Garner's Best Stories**, 2003 The conversion of Willie Heaps The father A couple of quiet young guys Lucy The yellow sweater Make mine vanilla Our neighbors the nuns The expatriates Red racer Tea with Miss Mayberry A visit with Robert No more songs about the Suwanee One mile of ice The magnet Some are so lucky Hunky Interlude in black and white The nun in nylon stockings A manly heart The stretcher bearers A trip for Mrs Taylor E equals MC squared How I became an Englishman One two three little Indians *Hugh Garner's Best Stories* Hugh Garner, 2015-05-21 Social justice is at the core of these award winning stories exploring the Great Depression the Spanish Civil War World War II the Civil Rights movement feminism racism disenfranchisement and mistreatment *The Canadian Short Story* Reingard M. Nischik, 2007 Beginning in the 1890s reaching its first full realization by modernist writers in the 1920s and brought to its heyday during the Canadian Renaissance starting in the 1960s the short story has become Canada's flagship genre It continues to attract the country's most accomplished and innovative writers today among them Margaret Atwood Mavis Gallant Alice Munro Carol Shields and many others Yet in contrast to the stature and popularity of the genre and the writers who partake in it surprisingly little literary criticism and theory has been devoted to the Canadian short story This collection redresses that imbalance by providing the first collection of critical interpretations of a range of thirty well known and often anthologized Canadian short stories from the genre's beginnings through the twentieth century A historical survey of the genre introduces the volume and a timeline comparing the genre's development in Canada the US and Great Britain via representative examples completes it The collection is geared both to specialists in and to students of Canadian literature For the latter it is of particular benefit that the volume provides not only a collection of interpretations but a comprehensive introduction to the history of the Canadian short story Reingard M Nischik is professor and chair of American Literature at the University of Constance Germany **A Collection of Canadian Plays** Rolf Kalman, 1972-06-01 Wedding in White by William Fruet Three Women by Hugh Garner The Devil's Instrument by W O Mitchell The Pile The Store and Inside Out by Mavor Moore Westbound 12 01 by Brock Shoveller *Encyclopedia of Post-Colonial Literatures in English* Eugene Benson, L.W. Conolly, 2004-11-30 Post Colonial Literatures in English together with English Literature and American Literature form one of the three major groupings of literature in English and as such are widely studied around the world Their significance derives from the richness and variety of experience which they reflect In three volumes this Encyclopedia documents the history and development of this body of work and includes original research relating to the literatures of some 50 countries and territories In more than 1 600 entries written by more than 600 internationally recognized scholars it explores the effect of the colonial and post colonial experience on literatures in English worldwide **Great Canadian War Stories** Muriel Whitaker, 2001-10 Canada is renowned today for its role as a world peacekeeper However the country also played an important role in the wars of the twentieth century Great Canadian War Stories shows how Canada at war

captured the imagination of fiction writers across the country The stories in this collection chronicle the scope of the Canadian war efforts in the twentieth century from Vimy Ridge to the plains of the Spanish Civil War to the skies over North Africa during World War II This collection includes selections from Timothy Findley Henry Kreisel Colin McDougall Thomas Raddell Joy Kogawa Earle Birney and 16 others At once terrible and uplifting memorable and harrowing the stories in this collection describe a seminal period in Canadian history Great Canadian War Stories show us how Canada became a nation in the twentieth century

The English Short Story in Canada Reingard M. Nischik,2017-04-11 In 2013 the Nobel Prize for Literature was for the first time awarded to a short story writer and to a Canadian Alice Munro The award focused international attention on a genre that had long been thriving in Canada particularly since the 1960s This book traces the development and highlights of the English language Canadian short story from the late 19th century up to the present The history as well as the theoretical approaches to the genre are covered with in depth examination of exemplary stories by prominent writers such as Margaret Atwood and Alice Munro

Shadows of Tyranny Ken McGoogan,2024-08-24 Bestselling historian and author Ken McGoogan delves into dictatorships of the twentieth century to sound this crucial alarm about the possibility of democratic collapse in the United States and its implications for Canada Twentieth century novels such as George Orwell s 1984 and Margaret Atwood s The Handmaid s Tale produced visions of future dystopia that rang with echoes of past tyrannies Always implied was a warning that history s worst chapters are never truly closed and that we must not fail as many of our forebears did to recognize that the threat of totalitarianism cannot simply be wished away

Awakening to Invasion an alarming and engrossing work of non fiction from acclaimed Canadian author Ken McGoogan draws on this sense of looping history to show how figures like Donald Trump replay many aspects of the authoritarianism that spread in the middle of the last century Calling not only on Orwell and Atwood but also on H G Wells Yevgeny Zamyatin Jack London and Hannah Arendt McGoogan traces the ways democracy succumbed to paranoia polarization scapegoating and demagoguery less than a hundred years ago These same forces he argues are now driving a far right movement in the United States that seems devoted to using Trump s warped charisma as a wrecking ball to clear the way for autocracy that closely resembles the dictatorships that stoked the Second World War With this prospect McGoogan s central questions become all the more pressing How should Canadians respond officially and individually to the possibility of democratic collapse in our powerful neighbour to the south Is talk of manifest destiny from right wing American firebrands like Tucker Carlson just chatter for the sake of notoriety Or is it a hint of the expansionist urges that always lie at the heart of authoritarianism and that may one day point the American military machine in our direction on the pretext of liberating us In the cautionary spirit of earlier visionary works Awakening to Invasion offers a galvanizing image of a dark possible future as well as an urgent call to act in the belief that we still have the time and ability to ward it off

Literary Titans Revisited Anne Urbancic,2017-08-19 As the sixties became the seventies legendary interviewer Earle Toppings recorded sixteen

emerging Canadian writers who would go on to become icons of CanLit Presented here alongside critical notes and the recollections of Toppings himself the transcripts of these recordings are a window on the early careers of Canada's literary masters
