HUMAN ANATOMY

The image features a central anatomical illustration of a human figure from the front, with arms slightly out to the sides. The figure's skin is transparent, revealing internal organs including the heart, lungs, stomach, and intestines. A network of red and blue blood vessels is shown throughout the body. The figure is set against a background of large, overlapping, translucent shapes in shades of blue, green, and purple, creating a complex, crystalline pattern. A horizontal black band runs across the middle of the image, serving as a background for the title text.
