**Local Governance in England and France** Alistair Cole, Peter John, 2012-11-12 Local Governance in England and France addresses issues at the cutting edge of comparative politics and public policy The book is based on extensive research and interviews over 300 in total with local decision makers in two pairs of cities in England and France Lille and Leeds Rennes and Southampton No other Anglo French comparative project has ever gone into such depth based on actual case studies making this book an invaluable resource for students and professionals alike The book poses key questions about the changing role of the state the difficulties of policy coordination in a fragmented institutional context and about the relationship between governance networks as well as political and democratic accountability It will be of great interest to the professional research community and practitioners in Britain France and beyond as well as to students of comparative politics European public policy British French politics European studies public management and local government studies

The Road to Social Europe Jean-Claude Barbier, 2013 In the wake of the Greek and Irish crises and at a moment when solidarity between states is hotly debated on a daily basis at EU level it is important to understand how solidarity can happen at all The Road to Social Europe reviews the development of political cultural processes since the nineteenth century showing how social protection and social justice have gradually become interwoven with systems of social protection or welfare states Grounded on extensive empirical research conducted in many EU countries and in the European Commission s administration over twenty years the book provides a cultural analysis of welfare systems in Europe It also presents an original enquiry into the importance of languages for politics in Europe for the politics of welfare and for sociological research It shows how sociological and ethnographic analysis can help in understanding the current and future challenges of European integration that rely unilaterally on functional economics This in depth sociological analysis of European diversity will appeal to a wide audience of students and scholars of sociology political science political economy and European studies

**Francis bulletin signalétique**, 1993 *L'Europe des administrations?* Heinrich Siedentopf, Jacques Ziller, 1988 *La concentration des médias en Europe* Alfonso Sánchez-Tabernero, 1993 *Cultural Policy* Diane St-Pierre, Monica Gattinger, 2021-03-30 How do Canadian provincial and territorial governments intervene in the cultural and artistic lives of their citizens What changes and influences shaped the origin of these policies and their implementation On what foundations were policies based and on what foundations are they based today How have governments defined the concepts of culture and of cultural policy over time

What are the objectives and outcomes of their policies and what instruments do they use to pursue them Answers to these questions are multiple and complex partly as a result of the unique historical context of each province and territory and partly because of the various objectives of successive governments and the values and identities of their citizens Cultural Policy Origins Evolution and Implementation in Canada s Provinces and Territories offers a comprehensive history of subnational cultural policies including the institutionalization and instrumentalization of culture by provincial and territorial governments government cultural objectives and outcomes the role of departments Crown corporations other government organizations and major public institutions in the cultural domain and the development dissemination and impact of subnational cultural policy interventions Published in English **Géographie de l'Europe** Louis Bouquier,1893
