both illicit and legitimate that have defined Cosa Nostra during its various incarnations He focuses on several crucial periods of transition the Italian unification of 1860 to 1861 the murder of noted politician Notarbartolo fascist repression of the Mafia the Allied invasion of 1943 social conflicts after each world war and the major murders and trials of the 1980s Lupo identifies the internal cultural codes that define the Mafia and places these codes within the context of social groups and communities He also challenges the belief that the Mafia has grown more ruthless in recent decades Rather than representing a shift from honorable crime to immoral drug trafficking and violence Lupo argues the terroristic activities of the modern Mafia signify a new desire for visibility and a distinct break from the state Where these pursuits will take the family adds a fascinating coda to Lupo s work *History of Luzerne, Lackawanna, and Wyoming Counties, Pa* ,1880
