breached and explored by hauliers pursuing a different market This book is the story of just such a transport company
Kepstowe Freight Sometimes known as the alternative Middle East the overland routes into the old Soviet Union have never
had their story recorded in print yet they were just as gruelling on the driver and machine as any trips to the Arabian
Peninsula or Iran Whereas most people s perception of the Middle East is all sunshine and sand the same people s perception
of Russia is often all snow and freezing temperatures Of course neither picture is the total truth and the overbearing heat
arid climes and loneliness of the central Russian steppes could easily rival the desertification of Syria and Iraq Kepstowe
Freight was one of the British companies pioneering these early journeys behind the Iron Curtain into the dark scary world of
Soviet Union communism Featuring mostly previously unseen photographs A History of Kepstowe Freight Services Ltd
repeats drivers recollections about their escapades and adventures into a land rarely visited by western society and their
attempts at dealing with the inherent corruption horrendous roads and unpredictable weather along the way It goes on to
show how exponentially rapidly the country changed after its 1990 collapse with the accompanying culture shock to the
