The Nikon D3300 is a powerful new camera intended for amateurs who want to jump into photography with the control and capabilities of a DSLR. This camera is considered an entry level DSLR and replaces the Nikon D3200. While the camera manual explains what the camera can do, it doesn't show exactly how to use the camera to create great images. That's where Nikon D3300 From Snapshots to Great Shots comes in. Starting with the top ten things users need to know about the camera, author Rob Sylvan carefully guides readers through the operating features. Readers get practical advice from a pro on which settings to use when, great shooting tips and end of chapter assignments. From Snapshots to Great Shots is a beautiful how to photography series that provides the perfect blend of instruction, inspiration and reference for specific camera models and photography concepts. Featuring a clear, elegant design, outstanding images that educate and inspire, and a friendly, accessible voice, this series helps photographers get great shots every time they pick up their camera.
