*The Unexplainable Church* Erica Wiggernhorn, 2017-06-06

Finally a Bible study that goes deep. Frustrated with the watered down light Bible studies that are all too common Erica Wiggernhorn wanted to write a study that went deep. She wanted to take readers verse by verse through a whole book of the Bible offering theological and historical comments in each lesson while remaining practical and relational. *The Unexplainable Church* is the result and it offers readers two great takeaways. It will teach them by example how to study the Bible deeply and it will challenge them toward critical life change submitting their will to the mission of Jesus who gives life its fullest meaning. The message of *The Unexplainable Church* is that the early church didn't grow because Peter and Paul were so amazing but because average people were transformed by God and brought together in His work. This 10 week inductive study of Acts 13-28 will sweep readers into the great drama of the Kingdom inspiring them to live together in the power of the Spirit and accomplish what could never be done alone. PLUS Check out *The Unexplainable Church* DVD for even more great teaching from Erica Wiggernhorn. It's the perfect resource for your small group.

*Theme Play* Gary Zingher, 2006-06-30

Out of his years of experience in working with children Zingher identifies some of the powerful and evocative themes of childhood and explores why these touch children so deeply. He encourages professionals who work with children in school, camp, club and library settings to consider using these themes to develop thoughtful and creative programs and units of study. Included are recommended books and videos that illustrate each theme, questions for discussion, possible starting points, readalouds, stories to be told, sensory experiences, interesting objects etc, follow up activities and examples of fully described and developed thematic journeys. In this time of standards and accountability this book reminds us of the joy of teaching and learning and the power of the imagination.
