- It is the responsibility of the manager to make sure that the work is done correctly so that the goals of the organization can be achieved.
- A manager is the person who runs the business or organization, or the person in charge of a division or one of the teams in an organization.
- If you work together in a group and you are chosen as the group leader, you become the "manager" of the group.
- In a small business, the owner can also be the manager.
- In a large business, there are numerous managers, each of whom is responsible for managing different departments.
