Guarneri,2023-03-17 In a recent poll of leading historians Charles A Dana was named among the Twenty Five Most Influential Civil War Figures You've Probably Never Heard Of If you have heard of Dana it was probably from his classic *Recollections of the Civil War* 1898 which was ghostwritten by muckraker Ida Tarbell and riddled with errors cited by unsuspecting historians ever since *Lincoln's Informer* at long last sets the record straight giving Charles A Dana his due in a story that rivals the best historical fiction Dana didn't just record history Carl J Guarneri notes he made it Starting out as managing editor of Horace Greeley's *New York Tribune* he led the newspaper's charge against proslavery forces in Congress and the Kansas territory When his criticism of the Union's prosecution of the war became too much for Greeley Dana was drafted by Secretary of War Edwin Stanton to be a special agent and it was in this capacity that he truly made his mark Drawing on Dana's reports letters and telegrams the most remarkable interesting and instructive collection of official documents relating to the Rebellion according to the custodian of the Union war records Guarneri reconstructs the Civil War as Dana experienced and observed it as a journalist a confidential informant to Stanton and Lincoln and most controversially an administration insider with surprising influence While reporting most of the war's major events Dana also had a hand in military investigations the cotton trade Lincoln's reelection passage of the Thirteenth Amendment and most notably the making of Ulysses S Grant and the breaking of other generals Dana's reporting and Guarneri's lively narrative provide fresh

impressions of Lincoln Stanton Grant and other Union war leaders Lincoln's Informer shows us the unlikely role of a little known confidant and informant in the Lincoln administration's military and political successes A remarkable inside look at history unfolding this book draws the first complete picture of a fascinating character writing his chapter in the story of the Civil War

Profit and Prejudice Paul Donovan,2020-11-05 Avoiding prejudice will be critical to economic success in the fourth industrial revolution It is not the new and innovative technology that will matter in the next decade but what we do with it Using technology properly with diverse decision making is the difference between success and failure in a changing world This will require putting the right person in the right job at the right time Prejudice stops that happening Profit and Prejudice takes us through the relationship between economic success and prejudice in labour markets It starts with the major changes that occur in periods of economic upheaval These changes tend to be unpopular and complex and complexity encourages people to turn to the simplistic arguments of scapegoat economics and prejudice Some of the changes of the fourth industrial revolution will help fight prejudice but some will make it far worse The more prejudice there is the harder it will be for companies and countries to profit from the changes ahead Profit is not the main argument against prejudice but can certainly help fight it This book tells a story of the damage that prejudice can do Using economics without jargon students investors and the public will be able to follow the narrative and see how prejudice can be opposed Prejudice is bad for business and the economy Profit and Prejudice explains why
