Yoder, 2023-11-23 This book was written with much prayer and study of God's word and with love and honor for the word of God in Christ The author observes that today's churches lead away from sincere humility and repentance In fact they diminish the praise honor and glory owed the King of kings and Lord of lords in the church He also reveals the dangers of believing in the pre tribulational rapture tradition which many churches teach Find out what Scripture actually says as opposed to the traditions of men who make God's word of no effect Mark 7:8-13 Rather than fearing the seven year tribulation this book shows that Christ has a place of safety and provision for watchful prepared believers at the start of the great tribulation the last 1 260 days of this present age Prepare yourself to endure to the end as Jesus taught us in Matthew 24:13 and to be like the five wise virgins of Matthew 25:1-13 *Homage to Chiapas* Bill Weinberg, 2000 Vividly depicts the grassroots struggles for land and local autonomy Colt Michael E Haskew, 2017-04-20 Illustrated with more than 200 artworks and photographs and accompanied by exhaustive technical specifications Colt An American Classic is an expertly written account of the firearms produced by one of the world's best known and easily recognized gun manufacturers

Armed Organizations and Political Elites in Civil Wars Erwin van Veen, 2024-06-03 This book analyses under what conditions and with what developmental effects armed organizations shift their coercive profile during civil wars with a focus on the recent conflicts in Syria and Iraq The work begins with an operationalisation of the term political settlement focusing on how power is organized in fragile and conflict affected countries and then uses this operationalization to analyse the political settlements of contemporary Syria and Iraq including their breakdown and transformation during recent civil wars of 2011 today in Syria and 2014-17 in Iraq It subsequently examines why and how elite factions have used armed organizations in times of conflict This approach links an understanding of the broad evolution of power relations at the national level with the specific effects of the use of armed organizations on such relations It argues for a shift from assigning fixed labels to armed organizations during civil wars to studying their coercive profile in a dynamic fashion i.e. how armed

organizations behave in terms of their use of threats and coercive force The book introduces five profiles of coercive behaviour that demonstrate how the same organization can behave very differently at various points in time One of these the hybrid coercive profile fills a gap in the existing civil war typology of organized armed violence by opening up the possibility of elite factions deliberately combining collaborative and competitive modes of behaviour As an evidence base the book provides in depth analysis of the origins evolution and operations of four armed organizations that have acted under a hybrid coercive profile during the Syrian and Iraqi civil wars the Syrian Kurdish People s Defence Forces the Eagles of the Whirlwind of the Syrian Social Nationalist Party the Iraqi Kurdish Peshmerga and the Badr Organization By connecting the concepts of political settlement and civil war and applying them to specific armed organizations operating in Syria and Iraq the book offers new insights into this nexus This book will be of much interest to students of civil wars conflict studies Middle Eastern Studies and International Relations *Beyond the Eagle's Shadow* Julio E. Moreno, 2013-12-30 The dominant tradition in writing about U S Latin American relations during the Cold War views the United States as all powerful That perspective represented in the metaphor talons of the eagle continues to influence much scholarly work down to the present day The goal of this collection of essays is not to write the United States out of the picture but to explore the ways Latin American governments groups companies organizations and individuals promoted their own interests and perspectives The book also challenges the tendency among scholars to see the Cold War as a simple clash of left and right In various ways several essays disassemble those categories and explore the complexities of the Cold War as it was experienced beneath the level of great power relations **Enforce** Rachel Van Dyken, 2014-12-18 There s two sides to every story And ours Isn t pretty Then again what s pretty about the mafia Trace Rooks that s what But she only wants one of us and I ll kill him before I let him have her The only problem We re cousins And she may just be our long lost enemy Whoever said college was hard clearly didn t attend Eagle Elite University Welcome to hell also known as the Mafia where blood is thicker than life and to keep yours Well keep your friends close and your enemies Even closer On Eagles' Wings Jimmie Duane Ross, 2022-11-03 These true to life experiences show how you can overcome and grow from the problems in your life After all if it had not been for Goliath David would have remained a shepherd boy The challenges that you face are part of life not the end of it I used my spiritual strength to conquer those problems and strengthen my faith You will also see how we can have disappointing times in all segments of life This includes professions family church members banks and most of all the corporate United States under the control of the unconstitutional Federal Reserve and its collection agency Internal Revenue Service You will see how our challenges sometimes force us to study and research such entities and discover the fraud and corruption that exists in government Internal Revenue Service Federal Reserve and our judicial system These things are not taught in government operated schools that indoctrinate our school kids from an early age Our judicial system is just as corrupt and no longer rings the bell of justice that was experienced during those wonderful days of freedom and liberties that were enjoyed

by all Americans Today it is all about the money control connections and punishment You will see that all those areas of life mentioned above use punishment rather than compassion to resolve or correct a situation There are at least 15 percent of innocent people in prisons for political reasons or just to put another notch in some judges belt At least 39 percent of people in prison are nonviolent and should not be placed in prison A judge in Tennessee stated that his goal was to sentence ten thousand years by his retirement That is a vendetta not justice My purpose in sharing the information within is to reveal to you the two governments that are prevalent in America today There is the Constitutional United States of America with its fifty sovereign states controlling their own affairs Then there is the corporate United States which has become an unconstitutional central government controlling every aspect of the lives of Americans You were not taught in school about the bankruptcy that the United States was forced to file to the private owned Federal Reserve in 1933 This is explained herein I explain how the Internal Revenue Service Federal Reserve and its national banking system are frauds as well as corrupt They use any means necessary to control the citizens of America even by murder which is also proven from personal experience The primary purpose is to awaken we the people of this country to how they are in prisons without bars and do not realize it My desire is to awaken the sleeping giant and motivate you to become active in taking back America before it is too late I hope reveal some records straight and reveal the truth of several personal situations It should illustrate how our spiritual strength can assist each of us in continual challenges in our lives The spirit is of utmost importance in moving through this journey of life to arrive at our destiny Society has lost respect for other people as we witness the atrocities that take place every day Not only is our patriotism being tested so is our faith Our destiny is not found in this life but rather in the life to come
