

A romantic couple is shown in silhouette, standing close together and looking out at a vast, starry night sky. The scene is bathed in a deep blue light, with numerous stars and a few faint, wispy clouds visible. The couple's figures are dark against the bright, star-filled background. The overall mood is serene and intimate.

translation of Rosalía de Castro's seminal poetic anthology *En las orillas del Sar* *On the Edge of the River Sar* 1884 Rosalía de Castro 1837-1885 was an artist of vast poetic vision Her understanding of human nature and her deep sensitivity to the injustices suffered by women and by such marginalized peoples as those of her native region Galicia are manifest in verses of universal yet rarely translated significance An outspoken proponent of both women's rights and her region's cultural and political autonomy Castro used her poetry as a vehicle through which to decry the crushing hardships both groups endured

as Spain vaulted between progressive liberal and conservative reactionary political forces throughout the nineteenth century Depending upon what faction held sway in the nation at any given time during Castro s truncated literary career her works were either revered as revolutionary or reviled as heretical for the views they espoused Long after her death by uterine cancer in 1885 Castro was excluded from the pantheon of Spanish literature by Restoration society for her unorthodox views Compellingly the poet s conceptualization of the individual and the national self as informed by gender ethnicity class and language echoes contemporary scholars of cultural studies who seek to broaden present day definitions of national identity through the incorporation of precisely these same phenomena Thanks to the most recent works in Rosalian and Galician studies we are now able to recuperate and reevaluate Rosal a de Castro s poems in their original languages for the more radical symbolism and themes they foreground related to gender sexuality race and class as they inform individual and national identities However although Castro s poetic corpus is widely accessible in its original languages these important features of her verses have yet to be given voice in the small number of English translations of only a sub set of her works that have been produced in the last century As a result our understanding of Castro s potential contributions to contemporary world poetries gender studies Galician and more broadly cultural studies is woefully incomplete An English translation of Castro s works that is specifically feminist in its methodological orientation offers a unique and thought provoking means by which to fill this void

British and Foreign Horses - A Comprehensive Guide to Equestrian

Knowledge Including Breeds and Breeding, Health and Management Various, J. Prince-Sheldon, 2021-03-22 British and Foreign horses is a fantastic guide to horses and equestrianism exploring in detail different breeds and traditions from around the world. It looks at horses used for sport, pleasure and work covering many different breeds and how they are to be selected, managed, housed, treated and more. Profusely illustrated with vintage photographs and helpful illustrations, this useful volume is not to be missed by horse lovers and owners and it would make for a fantastic addition to collections of allied literature. Contents include Horse Breeding in the British Isles, Hunting Training for Hunting Riding to Cover Riding with Hounds, Hunters and How to Train and Treat Them etc. Many vintage books such as this are increasingly scarce and expensive. It is with this in mind that we are republishing this volume now complete with a specially commissioned new introduction, the care and maintenance of horses.

TsumaSho [Vol.2] Yayu Murata, 2025-06-09 Keisuke's beloved late wife Takae suddenly came back to life except now she's stuck in the body of an elementary schooler. As their risky romance kicks back into gear, one of Keisuke's female coworkers starts trying to win his heart while on his wife's side, an elementary school boy confesses his feelings for her. And as if all that wasn't enough, Takae's new home is showing problematic signs. Where will this couple's love lead them to?

The Trail-Hunter Gustave Aimard, 2013-02-01 In the nineteenth century, the border region between Texas and Mexico was a dangerous region populated by warring tribes, lawless cowboys and profit-crazed government agents. In *The Trail Hunter*, author Gustave Aimard serves up a classic action-adventure tale that throws into sharp relief the tumultuousness of that unique time and place.

Until now. Richard Bantam and his wife Sharon met a gruesome demise but Troy and their young son Logan had a plan in case anything bad ever happened. While Troy's team is distracted with the crime scene, Troy sneaks into Logan's room and whisks the boy away, intending to hide him until he knows he's safe. Meri Osborne left Lochlin after losing a member of her team and started fresh at Prestige Security and Investigation Services. She's made a new life for herself but misses the excitement of protecting the rich and famous clients that hired Lochlin. When Troy shows up unannounced and asks her to help protect Logan, she doesn't hesitate. Together they will do anything to keep the little boy safe, including breaking the law and possibly each other's hearts.
