*Pass the SIE* Robert Walker, 2018-01-12 The Securities Industry Essentials Exam is an exciting new development from the industry regulator known as FINRA. Historically, those who wanted to become securities agents had to be hired by a broker-dealer before taking a license exam. Now, with the implementation of the Securities Industry Essentials (SIE) Exam, those interested in entering the industry can take a securities license exam on their own. Then, after being hired by a member firm, these individuals will take a top-off exam such as the Series 6 or Series 7 to complete their FINRA licensing requirements. The results of the SIE are good for four years. Therefore, an individual can take the exam long before he chooses his career path.
