

KAWASAKI FLAT RATE MANUAL

This flat rate manual is published in order to provide your Service Department with an additional tool for better service to Kawasaki customers. A great deal of attention has gone into this manual to make it comprehensive without making it too cumbersome to be practical. Reference to this manual will make your service department more efficient and more profitable.

The flat rate times established in this manual are based upon the average time required for an experienced Kawasaki mechanic, equipped with recommended tools to perform the job described. Time required to diagnose a problem has not been included in this schedule.
