Dorothea Brande's Wake Up and Live! Collection Dr. Robert C. Worstell, Dorothea Brande, 2017-06-23 What could you accomplish if you knew for a fact that you would succeed at anything you set out to do? This is the formula which Dorothea Brande discovered for herself and by applying it changed her life from one where she considered herself to be a personal failure into one of being a noted success. Her book *Becoming A Writer* is still in print today and is held as a cornerstone book for beginning authors to absorb while they master the disciplines of writing fiction or anything else. And her experiences in teaching a class of fiction writers was grist for the mill as she studied success itself. I ran into Brande's *Wake Up and Live* when tracing the influence of Napoleon Hill's *Think and Grow Rich*. Earl Nightingale found a copy of Hill's book and went on to yet another success, crediting Hill for the positive influence. In Nightingale's subsequent Gold recording *The Strangest Secret*, he mentions *Wake Up and Live* as a key book to study. Get Your Copy Now.
