T. Bryde, 2023-12-08 A Wolf in the Kitchen is the prequel to Jim s first book SLED DOG GUN AVIEMORE DREAMING In 1987 Jim and Cherry bought their very first Siberian Husky Hustler On showing him to people for the first time they were asked the inevitable question Is that a baby wolf A year later in the Summer of 1988 a small advert in a local paper changed their lives forever They discovered the sport of dog sledding Over the next 15 years more dogs were bought until they had eleven What follows is the story of these years and is both highly amusing and often downright funny After much perseverance and some frustration Jim transforms these dogs into one of the fastest teams in Great Britain With it came recognition that he never imagined and he and his team found fame on national radio and TV and played a part in a major movie film A lovely easy read that is suitable for all ages *Film Quotations* Robert A. become a classic Kidder was an ROTC intelligence officer just months out of college and expecting a stateside assignment when his orders arrived for Vietnam There lovesick anxious and melancholic he tried to assume command of his detachment a ragtag band of eight more or less ungovernable men charged with reporting on enemy radio locations He eventually learned not only to lead them but to laugh and drink with them as they shared the boredom pointlessness and fear of war Together they sought a ghostly enemy homing in on radio transmissions and funneling intelligence gathered by others Kidder realized that he would spend his time in Vietnam listening in on battle but never actually experiencing it With remarkable clarity and with great detachment Kidder looks back at himself from across three and a half decades confessing how as a young lieutenant he sought to borrow from the tragedy around him and to imagine himself a romantic hero Unrelentingly honest rueful and revealing My Detachment gives us war without heroism while preserving those rare moments of redeeming grace in the midst of lunacy and danger The officers and men of My Detachment are not the sort of people who appear in war movies they are the ones who appear only in war and they are unforgettable Boychik Lit Gerald Everett Jones,2018-09-18 From the acclaimed author of 2020 Independent Press Awards Distinguished Favorites Clifford s Spiral and Preacher Finds a Corpse This short book has six stories and one essay The essay Boychik Lit is the think piece offering Gerald Everett Jones s thoughts on the genre which he named Chemistry expands on the self evident premise that you can t tell teenagers anything The narrator of Not Quite After Lisette is a forty something high tech executive whose wife is divorcing him Johnny Halo and Rock the Tyro Shock Jock is the first of three episodes from the Rollo Hemphill series of comic novels In this installment he falls upward into a job as a shock jock deejay In the Valley of the Happy People is from the second book Rubber Babes and Spin Cycle is a chapter from the third book Farnsworth s Revenge Rollo s End In the Gallery of American Art is actually a story about a woman who wakes up on her birthday thinking her life is perfect And of course it s not It is excerpted from his novel Bonfire of the Vanderbilts **Daily Report, Foreign Radio Broadcasts** United States. Central Intelligence Agency,1966 **Listener and BBC Television Review** ,1988-09 **Vietnam Diary** Richard Tregaskis,2025-07-29 A vivid eyewitness account of US troops fighting in the Vietnam War by the award winning New York Times bestselling author and journalist This is the real war in South Vietnam as reported by a master Chicago Tribune After World War II US President Harry S Truman vowed to contain communism When conflict began in Vietnam in 1955 the challenge of keeping that vow increased If Vietnam fell to communism it was believed the rest of Asia would follow American troops increased their presence in the region in the early 1960s and in October 1962 war correspondent Richard Tregaskis joined them for four months to document their efforts In Vietnam Diary Tregaskis chronicles the daily lives of American troops serving in the Vietnam War He takes readers to the heart of what it was like to fight this vicious new kind of war one that required novel techniques to combat the region s wily guerilla forces Tregaskis is there in battle sharing in the dangers He follows along on missions with Marine helicopters and Army Hueys and with the ground pounders hiking through the fiercely embattled Delta

area He even accompanies Special Forces training troops resisting communist forces in the high jungles Amid all the action Tregaskis forges friendships with many of the troops as they open up about their experiences since the beginning of the war First published in 1963 *Vietnam Diary* is essential reading for those interested in the history of the Vietnam War and the lives of the soldiers who served in the conflict With this classic of the war Tregaskis honors those troops and shows why he was one of America's most knowledgeable and experienced war correspondents of the era Richard Tregaskis is indestructible imperishable *Vietnam Diary* proves it A vital addition MacKinlay Kantor Pulitzer Prize winning author and journalist An intimate and unadorned account of what so many of our career soldiers and draftees went through day by day over there this can be wholeheartedly recommended Kirkus Reviews **U.S. News & World Report**, 1997 **PJs in Vietnam** Robert L.
