Cassidy, 2025-05-13 Martine Brooks is in a pickle Derrick Adams is in a jam Pickles and jam Not exactly a hot combo Unless the pickle is a sultry sassy cat shifter and the jam is a gorgeous hunk of wolf Derrick is cursed to die if he doesn t make the woot woot with his life mate on the night of the next full moon Martine s been held captive by a power hungry warlock for six long months forced to do his bidding before finding herself stuffed in a cat carrier and ditched at a 7 Eleven After rescuing her from a dumpster Derrick and Martine strike a mutually beneficial deal mate save a life walk away both alive and kicking Win Yet there are kinks in the plan Like the fact that Martine s one time captor is on the hunt planning to extinguish all of her nine lives at once Or the fact the curse threatening Derrick s life is about to throw him a monster curve ball But the biggest kink might prove to be Derrick and Martine themselves two avowed commitment phobes who are beginning to wonder what forever looks like *It's Called Murder, Brenda. Look It up!* Dakota Cassidy, 2025-08-05 Welcome to my worst

effin nightmare The Accidental Detective Agency I m Nina Statleon a vampire with a little bit of witch thrown in for good measure a sucky magicless one if anyone asks for those interested My best friends Marty a werewolf and and Wanda a halvesie have talked me into opening a detective agency for paranormals Let me be real clear I do not want to be a detective and I think this idea is bananapants Now the dungeon in my castle in Long Island is our new office I call the murder basement filled with watercolor landscapes throw rugs and uncomfortable furniture all in the name of making our clients comfortable That said my partners in this new adventure don t care about all my protests That s how we end up with our first client Brenda Bronkowski an older vampire the human police are hunting down for murder Brenda fell for one of the oldest tricks in this new age of technology s book a romance scam Lonely and sad with only her pets for companionship Brenda hooked up with a human a much younger one You guessed it Brenda was catfished Now that much younger human Owen Barker is dead leaving behind a wife and two kids Brenda swears she s never even met him let alone murdered him and she s come to us for help finding the person responsible for his murder Not only is the suspect list low like we only have two there s a glitch and it s a big one The clan They don t like it when a vampire s been accused of murdering a human They take you out ask questions

later Brenda s technically a fugitive we re harboring while we investigate It s bad enough the human police like her for Owen s murder but if the clan finds out we ve got her holed up in the murder basement it won t only be curtains for Brenda our little private investigating gig could be over before it s really begun Which wouldn t exactly be the end of the world for me but my over achieving BFFs would never let me hear the end of it That means we need to solve this pronto so we can get the clan off our backs but more importantly so Brenda doesn t end up expunged **Accidentally Aphrodite** Dakota
