Ride Free Willie G. Davidson, 2023-08 Willie G Davidson likes to say that he was born with gasoline in his veins and a crayon in each hand A designer at heart Davidson combined his passions for art and motorcycles to extend a multi

generational unbroken thread from Harley Davidson Motorcycle Company's birth in a wooden shed in the early twentieth century to today. The grandson of one of the company's founders and the son of one of its longtime presidents, Davidson created a series of iconic designs that defined Harley Davidson factory custom bikes and cemented its standing as the premier motorcycle company in the world. Davidson was instrumental in saving the company from bankruptcy and then helping it explode into a global phenomenon. For more than five decades, Davidson was more than a namesake of the founders; he was the heart and soul of Harley Davidson and a personal connection to millions of riders around the world who knew him simply as Willie G. Throughout his life, Davidson has embodied a close relationship with the customer by attending motorcycle rallies, rides, and races with his late wife Nancy, the First Lady of Motorcycling, and son and daughter Bill and Karen Davidson, who recently joined their famous parents by being inducted into the Sturgis Motorcycle Hall of Fame and playing key roles in the Motor Company today. In *Ride Free*, Davidson recounts his memories of family relationships and events that defined his extraordinary life and legacy of passion and purpose. Davidson gives readers a behind-the-scenes look at the planning, design, and conception of legendary bikes that inspired millions of riders over the past half century, stories of his unforgettable rides around the world, the people he encountered while navigating thousands of miles on the roads, and the legacy that he and his family have created, which will carry on the most famous name in motorcycles.

The Body Below, Daniel Hecht, 2023-08-29. From USA Today bestselling author Daniel Hecht, *The Body Below* takes the reader on an uneasy quest for the nature of truth and who gets to tell it. Perfect for fans of *In the Woods* by Tana French and *The Paris Apartment* by Lucy Foy. Conn Whitman's long-distance swims keep him centered and sane until a terrifying underwater encounter in a woodland lake plunges him into the middle of a murder investigation. Once a superstar investigative reporter disgraced by misconduct, Conn returned to his Vermont hometown to put his life back together. Now, after ten years on the job, he knows his community like nobody else. So when he kicks a submerged object while swimming, something with the density and resilience of human flesh, he immediately wonders if it's connected to an unsolved murder in a nearby town. Detective Marlene Selanski is the lead on the State Police investigation and soon locks horns with Conn. It's clear she considers him a suspect and believes his vigilante research is interfering with her investigation. Defying Selanski, Conn and his fiancée Celine Gabrielli combine their talents: his decade of journalistic research, her PhD in psychology, and wealth of knowledge on the traditions of Vermont's old villages to seek answers on their own. As layers of deception peel away, Conn and Celine realize too late the
