Our books offer both practical advice on tackle, techniques, knots, and more, as well as lyrical prose on fishing for bass, trout, salmon, crappie, baitfish, catfish, and more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to publishing books on subjects that are sometimes overlooked by other publishers, and to authors whose work might not otherwise find a home. **Popular Mechanics**, 1985-11 Popular Mechanics inspires, instructs, and influences readers to help them master the modern world.
