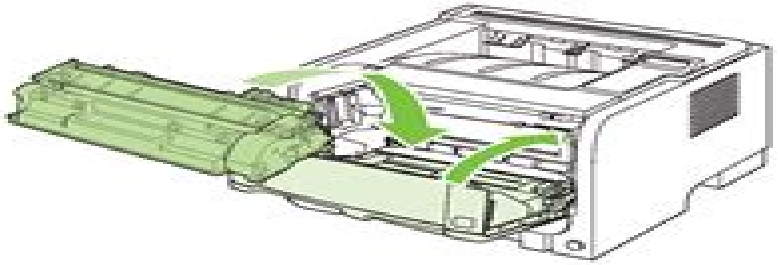
3. Reinsert the print cartridge into the product, and then close the print-cartridge door.

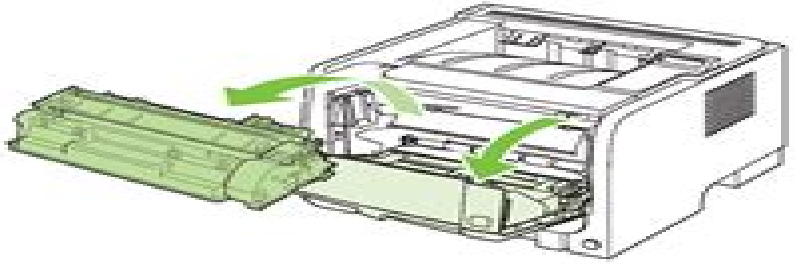


If the print is still light, install a new print cartridge.

Change the print cartridge

When a print cartridge approaches the end of useful life, you are prompted to order a replacement. You can continue printing with the current cartridge until redistributing the toner no longer yields acceptable print quality.

1. Push the button to open the print-cartridge door, and then remove the print cartridge.



2. Remove the new print cartridge from the bag. Place the used print cartridge in the bag for recycling.
