### Nortel IP Phone 1120E Emissions Statement

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

**Note:** This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures: reorient or relocate the receiving antenna, increase the separation between the equipment and receiver, connect the equipment into an outlet on a circuit different from that to which the receiver is connected, or consult the dealer or an experienced radio or TV technician for help.

The user should not make changes or modifications not expressly approved by Nortel Networks. Any such changes could void the user's authority to operate the equipment.

This Class B digital apparatus complies with Canadian ICES-003. Cet appareil numérique de la classe B est conforme à la norme NMB-003 du Canada.

This device complies with the essential requirements and other relevant provisions of RCTE directive 1999/5/EC. A copy of the Declaration may be obtained from Nortel Networks GmbH address: Implettstraße 14-16, 80807 Munich Germany.

Use only with Nortel-approved Limited Power Source (output rated 5W VDC, 500mA) OR using Power over LAN options, including standard power over Ethernet.

**Warning:** The electrostatic-sensitive region on the handset can attract and retain small objects. Privacy of communications may not be ensured when using this telephone. To prevent radio interference to the handset antenna, this device must be operated indoors only and should be kept away from windows to provide maximum shielding.
