Pierre Lemaitre

Irene The Commandant Camille Verhoeven Trilogy:

Irene Pierre Lemaitre, 2014-12-09 Camille Verhoeven whose diminutive stature belies his fierce intensity has reached an unusually content for him place in life he is respected by his colleagues and he and his lovely wife Irene are expecting their first child But when a new murder case hits his desk a double torture homicide that is so extreme that even the most seasoned officers are horrified Verhoeven is overcome with a sense of foreboding As links emerge between the bloody set piece and at least one past unsolved murder it becomes clear that a calculating serial killer is at work The press has a field day taking particular pleasure in putting Verhoeven under the media spotlight and revealing uncomfortable details of his personal life Then Verhoeven makes a breakthrough discovery the murders are modeled after the exploits of serial killers from classic works of crime fiction The double murder was an exquisitely detailed replication of a scene from Bret Easton Ellis's *American Psycho* and one of the linked cold cases was a faithful homage to James Ellroy's *The Black Dahlia* The media circus reaches a fever pitch when the modus operandi of the killer dubbed The Novelist is revealed Worse the Novelist has taken to writing taunting letters to the police emphasizing that he will stop leaving any clues behind unless Verhoeven remains on the case For reasons known only to the killer the case has become personal With more literature inspired murders surfacing Verhoeven enlists the help of an eccentric bookseller and a professor specializing in crime fiction to try to anticipate his adversary's next move Then Irene is kidnapped With time running out Verhoeven realizes that all along he's been the unwitting dupe in The Novelist's plans to create an original work of his own Now the only person in the world the commandant truly cares for is in danger and a happy ending seems less and less likely as it becomes clear that the winner of this deadly game may be the man with the least to lose

Irene Pierre Lemaitre, 2014 For Commandant Verhoeven life is beautiful he's happily married and expecting his first child with the lovely Irene But his blissful existence is punctured by a murder so savage that even the most hardened officers on the force are shaken to the core In the face of the seemingly motiveless horror only Verhoeven makes the vital connection the crime scene resembles one described in a James Ellroy novel too closely for there to be any coincidence As the stylised murders continue Verhoeven traces the crimes literary inspirations and risks his superiors' ire by taking out adverts to inform the killer of his progress Before long the case develops into a personal duel with each man hell bent on outsmarting his opponent There can only be one winner whoever has the least to lose

Irene Pierre Lemaitre, 2014 Draws on five contemporary and classic literary murder scenes in a prequel to Alex that finds Camille Verhoeven linking a brutal double murder to a cold case before his pregnant wife is abducted by the killer
