Flight International, 2013 **Testing with F#** Mikael Lundin, 2015-02-20 If you are a developer who wants to test applications using F this is the book for you. Basic experience of testing and intermediate experience of functional programming in F is expected. *River Sedimentation* Silke Wieprecht, Stefan Haun, Karolin Weber, Markus Noack, Kristina Terheiden, 2016-11-30 Sediment dynamics in fluvial systems is of great ecological, economic, and human health related significance worldwide. Appropriate management strategies are therefore needed to limit maintenance costs as well as minimize potential hazards to the aquatic and adjacent environments. Human intervention ranging from nutrient pollutant release to physical modifications has a large impact on sediment quantity and quality and thus on river morphology as well as on ecological functioning. Truly understanding sediment dynamics requires as a consequence a multidisciplinary approach. *River Sedimentation* contains the peer reviewed scientific contributions presented at the 13th International Symposium on River Sedimentation ISRS 2016 Stuttgart Germany 19-22 September 2016 and includes recent accomplishments in theoretical developments, numerical modelling, experimental laboratory work, field investigations, and monitoring as well as management methodologies. **The Silver Bullet Solution** James E. Gierach, 2023-11-21 What's been missing the past 30 years that prevented voters and leaders from hearing or acting upon the Gierach call and the Civil Society call for legalized, controlled, and regulated drugs and drug markets? Why the public repulsion from the Silver Bullet Solution to the many tentacled drug prohibition monster? Have you lost a child to fentanyl or heroin overdose? Are you worried about losing a loved one to drug addiction or drug accident? Is your neighborhood threatened by violent crime and gangs? Is it safe for your child to

get to school go to the park or play outside Do you live in a safe suburban neighborhood but yet feel like you need a firearm to be safe in your own home car or traveling on a big city expressway Do you believe the World War on Drugs 62 years old has been a dismal failure and ongoing drug seizures by the ton are evidence of that failure Regardless of color does it anger you that Blacks Latinos and poor Whites are sitting in American prisons for drug crimes at disparate rates Did you know that drug prohibition causes needless bullet holes and that bullet hole healthcare greatly contributes to an unaffordable healthcare system whether called Obamacare Trumpcare or Single Payer This book offers answers to these challenges and it broadcasts the idea that there is something YOU CAN DO about it You can help the new public opinion evolve
