Lynne M Hinkey author of *Ye Gods A Tale of Dogs and Demons*

The Thinking Dog Gail Tamases Fisher, 2009 It is such a joy to work with a dog who proactively engages in behaviors while you build a relationship that will surprise you in its depth and versatility Clicker training has proven to be the most effective means of developing a Thinking Dog one who offers behaviors in anticipation of a reward rather than a dog who has been trained only to wait for his owner's commands One of the biggest obstacles the new clicker trainer faces however is his or her own history of training and habits of working with a dog But you can make the transition once you understand how dogs learn and the mechanisms of operant conditioning Learn from author Gail Fisher's crossover experiences as well as those of the hundreds of students she has helped make the change over the past thirteen years You will learn How dog training has evolved over the past 100 years the strengths and weaknesses of various training styles and to what extent you can intergrate your previous methods with clicker training The particular challenges you will face as you crossover from whatever style of training you have used in the past compulsion luring etc to clicker training The detailed nuts and bolts of clicker training0 4from getting a behavior

started to methods of rewarding to reducing the need to click and treat over time while still getting the results you want How to work with dogs trained with force or harsh methods and change them into behavior offering dynamos What reviewers are saying MIDWEST BOOK REVIEW Written by Gail Tamases Fisher a professional dog trainer of over thirty years experience The Thinking Dog Crossover to Clicker Training is a guide to using clicker training to develop a thinking dog who offers behaviors in anticipation of a reward rather than a passive dog trained simply to wait for its owner s commands Someone new to clicker training may find it difficult to break out of familiar routines The Thinking Dog Crossover to Clicker Training teaches one how to surpass one s own ingrained habits while learning the nuts and bolts of operant conditioning By definition LLW loose leash walking means there is no tension in the leash This rule is absolute Your dog may not pull and be successful Any time your dog pulls and gets to move forward pulling is reinforced So from the moment you start training LLW any time your dog is on leash you are either in training or using equipment that prevents pulling such as a front connection harness or head halter Do not use a Flexi or bungi lead as they reward pulling An excellent easy to use manual for amateur and professional dog trainers alike handily illustrated with black and white photographs James A Cox DOG WORLD When Gail Tamases Fisher attended her first clicker training seminar in 1996 she was already a skilled trainer and the author of two books She had built a successful career on the Volhard motivational method I was happy with how I trained for the 20 plus years that I had used and taught this approach believing it was by far the best way to train for both dogs and people Fisher writes As her skepticism vanished she began incorporating clicker training into her methodology She explains her decision in a balanced manner Nothing in this book is intended to denigrate any approach or diminish your success with whatever training method you have used From Birdbrained to Brilliant Dawn Antoniak-Mitchell, CPDT-KSA, CBCC-KA, 2014-02-12 He can retrieve but can he sit lie down and stay Sporting dog breeds can be relatively easy to train to do what they have been bred to do be it retrieve point flush even act as a decoy to attract game In addition most sporting breeds have a gregarious personality and love people and other dogs These attributes make these dogs very popular pets but at the same time present all sorts of problems when they are not working in the field Have you ever tried to ask your Lab to sit and stay near a pond with the ducks Why is it that Golden Retrievers are notorious for jumping up on people not to mention other dogs when greeting them Does your sporting dog eat every smelly item he encounters before you can stop him In this new book author Dawn Antoniak Mitchell offers answers to solving and preventing the often surprising set of problems that owners of sporting dogs encounter at home and in their local communities You will learn Many of the overly friendly traits associated with sporting dogs can cause problems with other people and other dogs if you cannot control your dog s enthusiastic and sometimes obnoxious greeting behaviors How to make yourself more interesting than birds as impossible as that might seem to make walks and outings more pleasant for all involved How to train a strong leave it behavior to keep your dog from eating things that might be dangerous Praise for From Birdbrained to Brilliant Having bred and trained sporting dogs for almost forty

years Dawn's ideas are spot on for understanding that the mindset and work ethics of sporting dogs is based around them being people dogs. As a tracking judge, trainer, and exhibitor, I can attest that Dawn is correct when she says training sporting dogs is an investment worth making. Just like making an investment in this book, Ed Presnall, noted trainer and judge, author of *Component Training for TDX* and four other books on the subject of tracking, *From Birdbrained to Brilliant* gave me more insight into my beloved retrievers than anything I've read in my 25 years of working with assistance dogs. Ms. Antoniak Mitchell provides a treasure trove of information for those of us who love sporting dogs. As entertaining as it is illuminating, this book has earned a center spot in my library. Jennifer Arnold, author of *Through a Dog's Eyes* and *In a Dog's Heart*, Hunt point and/or retrieve yourself a copy of this book. Working with your sporting breed dog's natural traits instead of against them is what *From Birdbrained to Brilliant* is all about. I'm so excited to see a down-to-earth and practical book that gives clear training and management exercises for field-bred dogs. Inga, CPDT KSA owner, *Positive Gun Dogs of Minnesota* FIRST OF ALL, who could resist this title? I work with all breeds, and each group brings something a little different to the table. Dawn's knowledge of sporting dogs is going to be invaluable to you because her insights into their instincts will improve your training, and your dogs will live better lives because you will have learned how to understand and communicate better with them. Brenda Aloff, author of *Puppy Problems: No Problem* and several other best-selling books and DVDs. **Buck's Best Dogs** Graham Buck, 2021-06-21. This book began by providing documents on different areas of dog training behavior and management to my clients. As I started to put documents together, I soon realized that a book was beginning to take shape. This is a starting point of building dog understanding with people and their dogs. **DogPerfect** Sarah Hodgson, 2008-04-21. The bestselling dog training guide, revised edition. A Comprehensive Dog Training Course in a Book with Step-by-Step Photos and Guidance. Designed for quick reference while working with your dog, this large-format guidebook features the full gamut of training exercises, each illustrated with photos and clear instructions. It offers a wealth of ways to approach various dogs and scenarios, whether you're training a puppy to sit or correcting training issues in a

mature dog Michael Wombacher a trainer with decades of experience knows all the competing dog training theories but also knows that in reality it is a range of methods that gets dogs and their humans where they need to be His Integrated Dog Training is a much needed commonsense approach that avoids cookie cutter dictates and recognizes the individuality of each dog He includes straightforward discussions of situation specific equipment treats and commands as well as a variety of age and environment variable approaches Easy to use image driven and immediately applicable this is a truly unique invaluable resource that gets people and dogs in sync and happy lifelong Treats, Play, Love Patricia Gail Burnham,2008-02-05

Treats Play Love is the collected wisdom of Patricia G Burnham the author of the highly successful Playtraining Your Dog which has been in print for more than twenty five years Now after fifty years in the business she brings to this new book a focus on food training your dog with small treats while still incorporating fun and games into teaching basic and advanced obedience Burnham uses no compulsive training or punishment for incorrect or unwanted behaviors such as barking biting urinating inside or begging but rather offers rewards for correct behavior thus reinforcing it Topics covered include Basic obedience training for puppies exercises for sit down heel and stay House manners for older puppies and adult dogs no whining or barking Recipes for tasty dog treats that your four legged friend will do anything for Understanding your dog s personality Preventing dog bites Dealing with shy or fearful dogs Advice and exercises for training and showing a dog in obedience trials in novice class open class and utility class Reflections on the end of your dog s life There are more than 100 photos and line drawings throughout the book to illustrate movements and exercises and for owners who want to show their dogs there are detailed descriptions of what they can expect once they enter the ring Although Burnham works almost exclusively with greyhounds which are notoriously difficult to train her wisdom and expertise apply to all breeds and her warmth sound advice and personal tone make Treats Play Love a joy to use **Dog Training for Children & Parents**
