Freddy was going to die Again technically Freddy was going to die for the second and hopefully final time It was his own fault really He just didn t feel right being a blood sucking monster of the night he had spent long enough trying not to be a complete piece of shit human to very little success That was his punishment he had been a bad bad boy for twenty two years and now after failing to hunt for the entirety of his vampire hood he was going to starve Unless a mouth watering therapist could give him the discipline he s been missing Amelia needed a new couch She was a respected clinical psychologist with a thriving practice specializing in the troubles of supernatural creatures The couch her clients sat on had to be in perfect condition because something had to be Her mind was unreliable the deep churning chaos suppressed only by strict personal rules Don t work past insurable hours Don t answer the door for a handsome stranger Don t fall in love with a vampire **Light In Darkness** Ali

Winters, 2019-10-22 Welcome to the new world We thought we were the last and all we had to do was survive the initial outbreak Turns out the hard part is surviving each other Man the post apocalypse is brutal Most of the runners have phased out but a fraction have survived They are smarter faster and way more deadly When Jace el and I are stranded in the middle of nowhere and all our supplies are stolen we have no choice but to join another group of survivors But they re leading us into an underground bunker which severely limits our escape routes We were supposed to be safe but the virus has mutated making the infected smarter than anyone ever thought possible Our only hope for survival is to make it to the Tower where we ll be safe behind walls with a group of survivors just like us That is if we can outrun the creatures hunting us because safety is really only an illusion I am Raylinn Marrow and this is the end of the beginning **Winner Cake All** Denise
