The American Medical Association on the Case for Teaching Racism Francis Kwarteng,2021-04-26 The public lynching of George Floyd re exposed the rotten underbelly of America and this together with the disproportionate impact of COVID 19 on Black and Brown communities the

global Black Lives Matter protests and the racist xenophobic demagoguery of Donald Trump resurrected the old debates about medical racism race relations implicit bias vaccine nationalism vaccine imperialism structural inequality police brutality vaccine hesitancy unethical human experimentation vaccine diplomacy qualified immunity conspiracy theories and social justice Then in 2020 the American Medical Association formally declared racism a public health crisis defined racism as a social determinant of health and embraced the idea of medical schools teaching medical students about racism Alas the nursing curriculum is somewhat silent on these questions Decolonizing the nursing curriculum long overdue is therefore imperative This book explores the question of decolonizing the nursing curriculum from the angles of postcolonial theory critiquing the Western literary canon American history literary criticism African literature cultural criticism Afrocentric theory democracy African American literature and critical race theory
