Mein Kampf - The 1939 Illustrated Edition Adolf Hitler, 2011-11 The great masses of the people will more easily fall victim to a big lie than to a small one Adolf Hitler The only edition of Mein Kampf officially sanctioned by the Nazi Foreign Office in the English language was the edition translated and introduced by James Murphy The illustrated edition using his translation was first published in the UK in 1939 in 22 weekly parts by Hutchison and Co Ltd This authentic edition brings together that entire series complete with Murphy s 1939 introduction and a new introduction by Emmy AwardTM winning historian Bob Carruthers and includes over 250 photographs Murphy s was the only translation which was officially endorsed by the Nazi party during Hitler s lifetime and as such represents an opportunity to approach the work as it was presented to contemporary readers This was the version of Mein Kampf which the Nazi party hoped would

spread the gospel of National Socialism throughout the UK but by the time publication was underway World War II had commenced Somewhat surprisingly publication of the weekly illustrated edition was allowed to continue although all proceeds from the sale were diverted to the British Red Cross This new publication of the entire primary source provides the reader with access to the complete historical document and provides a unique insight into the past by reproducing Mein Kampf as it was presented to British readers in the thirties **Mein Kampf - My Struggle** Adolf Hitler,2017-01-25

Mein Kampf or My Struggle is an autobiography by the National Socialist leader Adolf Hitler in which he outlines his political ideology and future plans for Germany Volume 1 of Mein Kampf was published in 1925 and Volume 2 in 1926 The book was edited by Hitler's deputy Rudolf Hess Hitler began the book while imprisoned for what he considered to be political crimes following his failed Putsch in Munich in November 1923 Although Hitler received many visitors initially he soon devoted himself entirely to the book As he continued Hitler realized that it would have to be a two volume work with the first volume scheduled for release in early 1925 The governor of Landsberg noted at the time that he Hitler hopes the book will run into many editions thus enabling him to fulfill his financial obligations and to defray the expenses incurred at the time of his trial In 2016 following the expiry of the copyright held by the Bavarian state government Mein Kampf was republished in Germany for the first time since 1945 *Mein Kampf* Adolf Hitler,2015-02-15 Mein Kampf by Adolf Hitler 6 x 9 Paperback Edition with proper spacing editing and indentation with digital image of Adolf Hitler's signature This translation is considered as the most accurate English translation edition of the original Mein Kampf German by Adolf Hitler And it has the popular Eagle on the top of cover just like the original Mein Kampf First German Edition Complete volumes Golden Embossed Eagle This edition is the only German government funded and recognized version of Adolf Hitler's popular Mein Kampf popularly known as My Struggle in English James Murphy was invited by the NAZI Propaganda Ministry to translate the book in English so that the NAZI propaganda and vision can be disseminated in the English speaking countries too This edition has both the volumes and is the James Murphy's original translation that you are viewing right now Mein Kampf was originally published in two volumes Adolf Hitler started dictating Mein Kampf to Rudolf Hess when he was imprisoned in Festungshaft against the Beer Hall Putsch a failed attempt of coup One of the earliest translation was by James Murphy that received official recognition by the Third Reich Actually James Murphy's translation was officially funded by the NAZI party ruling in Germany in a time era which they called The Third Reich However later when James Murphy isolated himself from NAZI ideology and chanted negative remarks and comments that were against the NAZI party and rule he was told by the NAZI Propaganda ministry to leave German soil immediately He sent his wife later to Germany so that his original notes can be retaken He completed his translation with the help of these notes Initially Hitler was naming his book Viereinhalb Jahre des Kampfes gegen L ge Dummheit und Feigheit or in English Four and a Half Years of Struggle Against Lies Stupidity and Cowardice However he accepted the suggestion of Mein Kampf by Max Amann who was the publisher of Hitler's books He was so passionate about his thoughts and ideas that he predicted that book will be an instant bestseller and will do for all the expenses of NAZI party in the future The book was not an instant success as per the records of sales until the year 1931 up to 1933 when Hitler won Chancellorship in Germany A surge in the sales could be seen thereafter when Hitler already had started distancing himself from his first literary creation his autobiography Mein Kampf He was so submerged and

preoccupied with his new status that he started to call it a mistake to write such book that he called *fantasy* behind the bars. The tax accrued for *Mein Kampf* was about 405 500 Reichsmark. About 1.5 Million in 2015 at the time he took up Chancellorship of Germany when his tax debts were written off. By the time he had completed his first year as the chancellor of the Germany, *Mein Kampf* had become an essential component of German social life. People are using the then Legendary book *Mein Kampf* for gifts, homage, education and for whatever whenever possible. And by the time the WORLD WAR II ended the sales of *Mein Kampf* in Germany alone was toughing 10 Million mark. The book was running in top selling list for over a decade competing neck to neck and sometimes lagging behind the Bible. Writing a book to disseminate his ideas concerning Nazism or Fascism had been important for Adolf Hitler until he finally reached his goal of Chancellorship. However when the first book of two volumes could not help him much in gaining ground in German politics he wrote his next book that was never published. Later in his last years when the war was about to end, Adolf Hitler ordered his comrades to put the original manuscript in a locker under a shelter for Air Strikes. This book was an extension of NAZI viewpoints, ideas and propaganda. Hitler used his energy to further improve the NAZI ideology and engineer new components and enhance the former ones.

Mein Kampf Translated Adolf Hitler, 2016-07-29. *Mein Kampf*. This edition is the only German government funded and recognized version of Adolf Hitler's popular *Mein Kampf*, popularly known as *My Struggle* in English. James Murphy was invited by the NAZI Propaganda Ministry to translate the book in English so that the NAZI propaganda and vision can be disseminated in the English speaking countries too. This edition has both the volumes and is the James Murphy's original translation that you are viewing right now. *Mein Kampf* was originally published in two volumes. Adolf Hitler started dictating *Mein Kampf* to Rudolf Hess when he was imprisoned in *Festungshaft* against the Beer Hall Putsch, a failed attempt of coup. One of the earliest translations was by James Murphy that received official recognition by the Third Reich. Actually James Murphy's translation was officially funded by the NAZI party ruling in Germany in a time era which they called The Third Reich. However later when James Murphy isolated himself from NAZI ideology and chanted negative remarks and comments that were against the NAZI party and rule, he was told by the NAZI Propaganda ministry to leave German soil immediately. He sent his wife later to Germany so that his original notes can be retaken. He completed his translation with the help of these notes. Initially Hitler was naming his book *Viereinhalb Jahre des Kampfes gegen Lüge, Dummheit und Feigheit* or in English *Four and a Half Years of Struggle Against Lies, Stupidity and Cowardice*. However he accepted the suggestion of *Mein Kampf* by Max Amann who was the publisher of Hitler's books. He was so passionate about his thoughts and ideas that he predicted that book will be an instant bestseller and will do for all the expenses of NAZI party in the future. The book was not an instant success as per the records of sales until the year 1931 up to 1933 when Hitler won Chancellorship in Germany. A surge in the sales could be seen thereafter when Hitler already had started distancing himself from his first literary creation, his autobiography *Mein Kampf*. He was so submerged and preoccupied with his new status that he started to call it a mistake to

Mein Kampf (English Translation) Adolf Hitler,2016-02-19

Main Kampf Parts 1 2 The unexpurgated edition translated by James Murphy in 1939 In 1925 a thirty five year old Adolf Hitler veteran of World War One was the leader of an emerging political party who had staged a failed coup and as a result found himself locked up in a German prison By July of that year he had dictated the text of his first book to Comrade Rudolph Hess in their shared cell The two men later completed what would become Hitler s manifesto at a Bavarian Tavern *Mein Kampf* fast became a German bestseller and clearly reflected the mood of the people at the time namely a dissatisfaction with their government s immigration policy *Mein Kampf* reflects Hitler s personal ideology as a young man and outlined his ideas for the German Reich Chillingly it also demonstrates how a largely peaceful nation of people can move very quickly to the right wing when challenged and the book soon became one of the most popular texts in the whole of Germany The question is is history going to repeat itself

Mein Kampf/ My Struggle Adolf Hitler,2017-03-01 ON APRIL 1st 1924 I began to serve my sentence of detention in the Fortress of Landsberg am Lech following the verdict of the Munich People s Court of that time After years of uninterrupted labour it was now possible for the first time to begin a work which many had asked for and which I myself felt would be profitable for the Movement So I decided to devote two volumes to a description not only of the aims of our Movement but also of its development There is more to be learned from this than from any purely doctrinaire treatise This has also given me the opportunity of describing my own development in so far as such a description is necessary to the understanding of the first as well as the second volume and to destroy the legendary fabrications which the Jewish Press have circulated about me In this work I turn not to strangers but to those followers of the Movement whose hearts belong to it and who wish to study it more profoundly I know that fewer people are won over by the written word than by the spoken word and that every great movement on this earth owes its growth to great speakers and not to great writers

Nevertheless in order to produce more equality and uniformity in the defence of any doctrine its fundamental principles must be committed to writing May these two volumes therefore serve as the building stones which I contribute to the joint work
