A Modern Utopia H. G. Wells, 2020-08-14 the Utopia of a modern dreamer must needs differ in one fundamental aspect from the Nowheres and Utopias men planned before Darwin quickened the thought of the world Those were all perfect and static States a balance of happiness won for ever against the forces of unrest and disorder that inhere in things One beheld a healthy and simple generation enjoying the fruits of the earth in an atmosphere of virtue and happiness to be followed by other virtuous happy and entirely similar generations until the Gods grew weary Change and development were dammed back by invincible dams for ever But the Modern Utopia must be not static but kinetic must shape not as a permanent state but as a hopeful stage leading to a long ascent of stages Nowadays we do not resist and overcome the great stream of things but rather float upon it

A Modern Utopia H. G. Wells, 2018-05-10 Wells uncanny ability to highlight the problems which are now most acute and supply tentative solutions that allow a maximum of individual freedom merits serious consideration A Modern Utopia is one of the first important blueprints for the modern welfare state and an early major statement of Wells idea of the World State an idea that is perhaps his greatest contribution to the intellectual history of this century In this quintessential utopia Wells sums up and clarifies the utopia s of the past and brings them into contact with the world of the present
