## **Munich Airport A Novel:**

*Munich Airport* Greg Baxter, 2015-01-27 From the critically acclaimed author of *The Apartment* comes a powerful poetic and haunting exploration of loss love and isolation An American living in London receives a phone call from a German policewoman telling him the nearly inconceivable news that his sister Miriam has been found dead in her Berlin apartment from starvation Three weeks later the man his father and an American consular official named Trish find themselves in the bizarre surroundings of a fogbound Munich Airport where Miriam s coffin is set to be loaded onto a commercial jet and returned to America Greg Baxter s bold mesmeric novel tells the story of these three people over the course of three weeks as they wait for Miriam s body to be released grieve over her incomprehensible death and try to possess a share of her suffering and her yearning and grace With prose that is tense precise and at times highly lyrical *Munich Airport* is a novel for our time a work of richness gravity and even dark humor Following his acclaimed American debut *Munich Airport* marks the establishment of Greg Baxter as an important new voice in literature one who has already drawn comparisons to masters such as Kafka Camus and Murakami **Munich Airport** ,1992\* **Munich Airport** Greg Baxter, 2017-08 Originally published in UK by Penguin Group July 2014 Title page verso *Pariah* Dan Fesperman, 2025-07-22 An adrenaline fueled thriller about a disgraced comedian turned politician who takes on the role of a lifetime infiltrating a corrupt Eastern European country to spy on their brutal dictator Hal Knight a comedian and movie star turned politician is no stranger to controversy But after an embarrassing and humiliating encounter on set Knight resigns from Congress quits social media and disappears to the tiny Caribbean island of Vieques to drink dirty martinis and nurse his wounds Shortly after his arrival he is approached by a trio of CIA operatives hoping to recruit him to infiltrate the power structure of Bolrovia a hostile Eastern European country whose despotic president Nikolai Horvatz happens to be a longtime fan of Knight s adolescent male humor Knowing that Horvatz plans to invite the disgraced star for an official visit the CIA coaxes Knight to accept Skeptical but with little to lose Knight accepts the challenge sensing this might be his one chance to do something worthwhile even if no one else ever finds out Upon arrival as President Horvatz s guest of honor Knight confronts his ultimate acting challenge What begins as an assignment to keep his eyes and ears open quickly turns into a life or death battle of wits with consequences reaching all the way to Washington With *Pariah* Dan Fesperman has crafted a heart pounding thriller about espionage entertainment and one man s pursuit of redemption American Noir Barry Forshaw, 2017-04-27 The word Noir is used here in its loosest sense every major living American writer is considered including the giants Harlan Coben Patricia Cornwell James Lee Burke James Ellroy and Sara Paretsky as well as non crime writers such as Stephen King who stray into the genre often through a concentration on one or two key books Many exciting new talents are highlighted and Barry Forshaw s knowledge of and personal acquaintance with many of the writers grants valuable insights into this massively popular field But the crime genre is as much about films and TV as it is about books and this book is a celebration of the

former as well as the latter American television crime drama in particular is enjoying a new golden age and all of the important current series are covered here as well as key important recent films

**The Apartment** Greg Baxter, 2013-12-03  
 A powerful and elegant debut novel about love memory exile and war One snowy December morning in an old European city an American man leaves his shabby hotel to meet a local woman who has agreed to help him search for an apartment to rent The Apartment follows the couple across a blurry illogical and frozen city into a past the man is hoping to forget and leaves them at the doorstep of an uncertain future their cityscape punctuated by the man's lingering memories of time spent in Iraq and the life he abandoned in the United States Contained within the details of this day is a complex meditation on America's relationship with the rest of the world an unflinching glimpse at the permanence of guilt and despair and an exploration into our desire to cure violence with violence A novel about how our relationships to others and most importantly to ourselves alters how we see the world The Apartment perfectly captures the peculiarity and excitement of being a stranger in a strange city Written in an affecting and intimate tone that gradually expands in scope intensity poetry and drama Greg Baxter's clear eyed first novel tells the intriguing story of these two people on this single day Both beguiling and raw in its observations and language The Apartment is a crisp novel with enormous range that offers profound and unexpected wisdom

**The Lanny Budd Novels Volume Two** Upton Sinclair, 2018-04-17  
 Books four through six in the Pulitzer Prize winning series of historical novels about an international spy in the first half of the twentieth century An ambitious and entertaining mix of history adventure and romance Upton Sinclair's Pulitzer Prize winning Lanny Budd novels are a testament to the breathtaking scope of the author's vision and his singular talents as a storyteller Few works of fiction are more fun to read fewer still make history half as clear or as human Time In these three novels as the threat of Nazism grows in the 1930s Lanny progresses from international art dealer to international spy Wide Is the Gate When his arms dealer father strikes a business agreement with Hermann Goring Lanny uses the opportunity and his art world reputation to move easily among the Nazi high command and gather valuable information he can transmit back to those who are dedicated to the destruction of Nazism and Fascism He's playing a dangerous albeit necessary game which will carry him from Germany to Spain on a life and death mission on the eve of the Spanish Civil War The Presidential Agent In 1937 Lanny's boss from the Paris Peace Conference now one of Roosevelt's top advisors connects him to the president Appointed Presidential Agent 103 he embarks on a secret assignment that takes him back into the Third Reich as the Allied powers prepare to cede Czechoslovakia to Adolf Hitler in a futile attempt to avoid war But Lanny's motivations are not just political The woman he loves has fallen into the brutal hands of the Gestapo and Lanny will risk everything to save her Dragon Harvest Lanny has earned the trust of Adolf Hitler and his inner circle who are convinced the American art dealer is a true believer committed to their Fascist cause But when Roosevelt's secret agent learns of the Führer's plans for conquest his dire warnings to Neville Chamberlain and other reluctant European leaders fall on deaf ears The bitter seeds sown decades earlier with the Treaty of Versailles are now

bearing fruit and there will be no stopping the Nazi war machine as it rolls relentlessly on toward Paris      *Air Travel Fiction and Film* Erica Durante,2020-08-03 *Air Travel Fiction and Film* Cloud People explores how over the past four decades fiction and film have transformed our perceptions and representations of contemporary air travel Adopting an interdisciplinary approach the book provides a comprehensive analysis of a wide range of international cultural productions and elucidates the paradigms and narratives that constitute our current imaginary of air mobility Erica Durante advances the hypothesis that fiction and film have converted the Airworld the world of airplanes and airport infrastructures into a pivotal anthropological place that is endowed with social significance and identity suggesting that the assimilation of the sky into our cultural imaginary and lifestyle has metamorphosed human society into Cloud People In its examination of the representations of air travel as an epicenter of today s world the book not only illustrates a novel perspective on contemporary fiction but fills an important gap in the study of globalization within literary and film studies      *007 Complete Series - 21 James Bond Novels in One Volume* Ian Fleming,2023-12-31 In *007 Complete Series 21 James Bond Novels in One Volume* Ian Fleming presents a masterful anthology of espionage fiction that intricately weaves high stakes drama with exhilarating action This comprehensive collection encapsulates the evolution of the iconic character James Bond ranging from Casino Royale to Octopussy Fleming s crisp prose and vivid imagery establish a distinct literary style that balances tension and sophistication while also drawing on contemporary geopolitics and Cold War anxieties offering readers both escapist entertainment and a reflection of the tumultuous era in which they were originally penned Ian Fleming a former naval intelligence officer channels his intimate knowledge of espionage into the creation of Bond a character exemplifying the complexities and moral ambiguities of spycraft His experiences during World War II profoundly influence the narratives infusing them with authenticity and a palpable sense of danger Fleming s fascination with exotic locales and luxury stems from his own travels and lifestyle making the world of 007 both glamorous and perilous This collection is not merely for the ardent fan of spy fiction it is an essential read for anyone interested in literary representations of modern heroism and the cultural zeitgeist of the mid 20th century Each novel offers a window into a world of espionage that while rooted in its time continues to resonate with contemporary themes of loyalty betrayal and intrigue      **The SKID Series: Four Complete Young Adult Racing Novels** Doug Solter,2017-12-01 Is she brave enough to win it all Samantha Sutton isn t a cheerleader She races cars And she s good Real good So good a desperate Formula One racing team takes a huge chance on the teenage girl Samantha must battle the men who race against her Battle to gain respect from her team And worst of all she must battle against the one thing that terrifies her the most Manny Wolert is a young automotive genius Raised by a rich German family he d rather design transmissions than play polo Next in line to take over his uncle s racing team the teen boy struggles with the confidence he needs to become a leader The team won t take him seriously His father won t take him seriously Sometimes even Manny won t take himself seriously When these two meet their close friendship grows into an honest love But in
