Muse Grvin Collectif:

Understanding Collective Pride and Group Identity Gavin Brent Sullivan, 2014-06-20 Collective and group based pride is currently covered across a number of disciplines including nationalism studies sociology and social psychology with little communication between fields This multidisciplinary collection encourages interdisciplinary research and provides a unique insight into the subject stemming from a psychological perspective The collection builds upon insights from collective emotion research to consider the relations between collective pride shame and guilt as well as emotions of anger empowerment and defiance Collective pride is examined in contexts that vary from small groups in relatively peaceful competition to protest movements and large groups in divisive conflicts In the book collective pride is a complex and positive emotional experience evident in the behaviour of groups that can lead to negative forms of collective hubris in which other groups are devalued or dominated Emotions of Collective Pride and Group Identity brings together international contributors to discuss the theory research and practice surrounding collective pride in relation to other emotions and collective cultural and national identity Divided into two parts part one explores the philosophy and theory behind collective pride and its extremes Part two draws upon the latest quantitative and qualitative empirical research to focus on specific issues for example happiness national pride and the 2010 World Cup Topics covered include cultural and national pride and identity positive feelings of unity and solidarity dynamic relationships between collective pride guilt and shame theories of emotions in ritual symbolic and affective practices collective pride and collective hubris in organizations perspectives on national events from young people This book will appeal to an interdisciplinary audience in the area of affect studies and emotion research including social psychologists sociologists historians and anthropologists *Interpretive Planning for Museums* Marcella Wells, Barbara H Butler, Judith Koke, 2016-06-16 Museum professionals increased focus on visitors in recent years has been demonstrated by among other things the enhanced practice of evaluation and the development of interpretive plans Yet too often these efforts function independent of one another This book helps museums integrate visitors perspectives into interpretive planning by recognizing defining and recording desired visitor outcomes throughout the process The integration of visitor studies in the practice of interpretive planning is also based on the belief that the greater our understanding tracking and monitoring of learners the greater the impact museums will make on public understanding of the science and humanities disciplines An approach that advocates thoughtful and intentional interpretive planning that constantly integrates visitor perspectives is the next step in working with rather than for our communities a step toward truly becoming visitor centered and impactful as essential learning institutions of the 21st century *Enslaved* Hope Tarr, 2007-10-01 More than ten years ago orphans Daisy Lake and Gavin Carmichael made a pact to stay together before Daisy was taken away Now she is only a precious painful memory until Gavin walks into an East End club where the headlining act is the infamous nightingale of the Montmartre music halls Daisy Original Edinburgh sketches & memories David Masson, 2024-07-29

Edinburgh Sketches Memories by David Masson is a captivating collection that offers a vivid and nostalgic portrayal of Edinburgh through the eyes of one of Scotland's esteemed literary figures. In this charming volume, Masson provides a series of evocative sketches and personal recollections that capture the essence of the city's unique character and rich history. Drawing on his deep affection for Edinburgh, Masson presents a blend of detailed observations and reflective anecdotes. The book covers various aspects of Edinburgh's life, from its historic landmarks and architectural wonders to the vibrant social and cultural scenes that define the city. Through his eloquent prose and keen observations, Masson brings to life the people, places, and events that have shaped Edinburgh's identity. *Edinburgh Sketches Memories* is celebrated for its literary quality and insightful commentary. Masson's descriptive flair and personal reflections offer readers a window into the past, revealing the city's charm and significance in a way that both history enthusiasts and casual readers will appreciate. Ideal for those interested in Scottish history, urban studies, and literary sketches, this book stands as a valuable contribution to the understanding and appreciation of Edinburgh. Masson's affectionate and detailed portrayal makes it a treasured read for anyone fascinated by the city's heritage and the timeless appeal of its streets and stories.

Collaborative Performance for Social Justice Tessa Carr, Deanna Shoemaker, 2025-06-02 This engaging book offers a broad spectrum of collaborative and accessible performance-based practices that promote social justice within college classrooms, rehearsal spaces, campus stages, and local communities. Performance is an inherently collective and embodied endeavor. As a form of communication, activism, performance also serves as a powerful mode of teaching and learning that demands equitable relationships and mutually established group norms that offer all a seat at the table. Informed by intersectional feminist and antiracist theories, the authors present collaborative performance case studies ranging from interventions into local histories of oppression to creative protests of campus and cultural practices to staged interruptions of social discourses and representational systems that perpetuate structural inequities. Illustrating the multiple possibilities of performance, the book offers adaptable tools, evocative stories, and vivid examples from diverse bodies of work. This engaged scholarship is committed to honoring multiple forms of knowledge, acknowledging and building the capacities of individuals and organizations, identifying and developing more spaces for critical dialogue and envisioning and performing a more socially just world. This book is essential reading for scholars and practitioners of communication, theater, performance studies, arts-based education, and social justice activism.

Monumental Space in the Post-Imperial Novel Rita Sakr, 2011-12-01 Establishes a two-way interpretive methodology between theory, history, and geography and the novel that serves as the groundwork for innovative interdisciplinary readings of monumental space.

Teaching and Evaluating Music Performance at University John Encarnacao, Diana Blom, 2020-04-28 Fresh perspectives on teaching and evaluating music performance in higher education are offered in this book. One-to-one pedagogy and Western art music, once default positions of instrumental teaching, are giving way to a range

of approaches that seek to engage with the challenges of the music industry and higher education sector funding models of the twenty first century Many of these approaches formal informal semi autonomous notated using improvisation or aleatory principles incorporating new technology are discussed here Chapters also consider the evolution of the student play as a medium for learning reflective essay writing multimodal performance interactivity and assessment criteria The contributors to this edited volume are lecturer practitioners choristers instrumentalists producers and technologists who ground their research in real life situations The perspectives extend to the challenges of professional development programs and in several chapters incorporate the experiences of students Grounded in the latest music education research the book surveys a contemporary landscape where all types of musical expression are valued not just those of the conservatory model of decades past This volume will provide ideas and spark debate for anyone teaching and evaluating music performance in higher education

West Ham Pete May, 2012-03-23 Many feared that West Ham would fade and die during the 2001 2002 season Former gaffer Harry Redknapp had been sacked in mysterious circumstances and would never again exclaim that a Hammers side is down to the bare bones Meanwhile Glenn Roeder the man who was initially told not even to apply for the job admitted to feeling like a 100 1 outsider who had won the Grand National upon being handed the job no one else would take Young England stars Rio Ferdinand and Frank Lampard had been sold for 30 million and Leeds fans greeted the appearance of the massive new Dr Martens stand with a refrain of Is that the Rio stand Furthermore the bookies had West Ham down as certainties for relegation and there was universal bemusement at West Ham s appointment of a rookie Premiership manager Pete May has supported the Hammers ever since he heard cries from the Chicken Run of Come on Hammers really pep it up and make it mediocre and Remember goals West Ham They were big in the Seventies He offers a supporters view of Glenn Roeder s crucial first season while also reminiscing about some of the funniest moments in Hammers history

Women Critics 1660-1820 Folger Collective on Early Women Critics (Scholarly group), 1995 the anthology is engaging and informative and should stimulate further research into this fascinating yet neglected area English most interest are newly recovered materials with several works appearing in English translation for the first time The excellent introductions and reference notes along with the samplings of writings will pique the interest of students of both literature and history A good readings text for college students and anyone interested in the development of literature and culture Library Journal This anthology demonstrates women s participation in the construction of criticism as a literary genre The selected writings by forty one of the women who produced criticism between 1660 and 1820 include writers from England France Germany and the United States

The Oxford Handbook of Restoration Literature Matthew C. Augustine, Steven N. Zwicker, 2024-10-22 The Oxford Handbook of Restoration Literature begins by asking if there was a distinctive literature of the Restoration For a long time the answer seemed obvious heroic drama libertine comedy scandalous lyrics and the short but brilliant career of John Wilmot earl of Rochester Could there be an age when the coincidence of literary culture and

political rule were any more obvious But as this Handbook will remind us some of the most wonderful literature of this Restoration came from writers who had lived across the decades of turbulence and into an age when the Stuart kings returned when the Church and House of Lords were restored a world made safe for bishops and for the memory of divine right rule Of course these returns and restorations did not meet with uniform celebration John Milton wrote his great epic poems not in quiet submission but in a kind of resistance to the dominant culture of the 1660s and Andrew Marvell produced his most brilliant satiric verse by holding up a looking glass to court corruption and Anglican intolerance So we begin with the most obvious conclusion Restoration literature does and does not fit to the categories that so long defined the late Stuart age This book explores and contests challenges and reimagines the experience embodied by the writing of the late Stuart world and invites readers new to this world and those who have often read its literatures to the pleasures but as well to the challenges and discomforts of its texts

James Baldwin and the American Schoolhouse Carl A. Grant, 2021-04-28 This book written for teacher educators teachers and admirers of James Baldwin employs his essays and speeches to discuss how the effects of race and racism enter the souls of African American students and become attached and difficult to dislodge Yet his essays also provide educators and students with purpose meaning and suggestions for how to stand up against racism develop an authentic self and fight oppression Whereas this book takes advantage of the full body of Baldwin's work fiction nonfiction interviews lectures speeches and letters its foundation is three speeches James Baldwin gave in the 1960s on the education of African American children and African American and European American race relations in the United States The purpose of education defying myths freedom willful ignorance and developing identity are discussed through a Baldwinian lens African American and European American teachers are encouraged to Go for Broke as this book explores the important role Baldwin's work can play in schools and universities

The Invention of English Criticism Michael Gavin, 2015-05-05 Early literary criticism was undisciplined Unlike the staid essays and monographs of later academic scholarship English criticism first appeared in the contentious world of the London theater dramatists and other poets argued about their craft in contending prefaces and dedications and their disputes spilled into the public sphere in pamphlet wars mock epics lampoons and even novels Across these forms criticism was personal political and unconcerned with analysis for its own sake Yet this unruly discourse laid the groundwork both for modern literary criticism and for the discipline of literary studies The Invention of English Criticism explores the earliest uses of criticism and the attempts by some to convert a field of literary debate into an archive of useful knowledge Criticism's undisciplined past thus illuminates its contested ambivalent and never fully disciplined present

Byron's Ghosts Gavin Hopps, 2013 The first book length examination of spectrality in Byron's work this critical collection questions the popular image of Byron as a sceptical or anti Romantic poet and in so doing reveals a great deal about his work
