**Hilltop Drive** Joe Jachens, 2020-11-25 Have you ever wondered how interesting it would be if you were able to go back and live your life all over again The opportunity to correct all the regrets you have from the life you've lived Hilltop Drive is the life story of Joe Jachens who after growing up in what he describes as a perfect childhood had some very unexpected and serious events occur in his life It is a story of Jesus walking beside Joe during his life and carrying him during this period when he needed him the most While continuously referring back to his happy childhood years on Hilltop Drive Joe shares the pain of his parents divorce the story of being a victim of sexual abuse by a friend's brother turning to illegal drugs and his diagnosis of obsessive compulsive disorder Joe invites the reader into the intimate details of his life events what he has learned from them and how they have shaped him into the man he is today Hilltop Drive will inspire the reader and allow the opportunity for one to reflect on their own life's path Take a visit to Hilltop Drive where childhood is an age of innocence where imaginations are wild life dreams are still attainable and the most important part of a child's life is simply going outside and playing with their neighborhood friends , **Grandpa's Stories** Joe Kretoski, Jr., 2018-11-27 Grandpa's Stories is a partial compilation of Joe Kretoski's life experiences as well as a few other stories which are included that are important to the author Every story is true and has potential for spiritual application or character building These stories should be compelling to youngsters and oldsters Hopefully your vision of an all powerful God will be renewed and your faith increased If you are discouraged with life and are feeling hopeless Grandpa's Stories has the potential to plant a nugget of hopefulness into your heart God has not changed and He desires that we all love Him fervently May Grandpa's Stories touch your heart as it has the author's Happy reading **A Beauty By Its Blue Reflection** Neelima Rajawat, A Beauty By Its Blue Reflection is the 27 years journey of an Indian girl including different phases of life with different perceptions but a single thought Neelima grew up in a lower middle class family where people didn't even want to accept her as their daughter Her journey has gone through tiny tales of ups and downs in life Everyone has an influential story Sometimes one's learning phase can be a solution to tackle a similar problem in someone else's life All chapters here can make you flow with emotions like happy sad inspired adorable and independent because Neelima's life is little logical more magical as framed by a Software engineer As a software engineer I tried to write this book in a pattern as we develop a software which we use to call a waterfall model which goes through several phases like analysis design coding testing maintenance So here I considered life as software and have written the book as making different phases of life one after the other Last but not the least why does the index of chapters start with 0 and numbers are written inside the square brackets because in basic computer programming languages array indexes start with zero Although Zero is one of the turning points of Neelima's life **GED to PHD** Dr. Vernon L. Czelusniak, 2015-01-20 A true story of survival GED to PhD illustrates how a young man living in a dysfunctional family overcame family rivalry verbal abuse learning problems and substance abuse Through determination

hope and faith he completed a PhD Vernon's prayer is that this book will provide encouragement excitement and hope for those who are struggling with educational disabilities low self esteem lack of motivation depression and addictions From a young age Vernon was told that he would not amount to much in life He was never encouraged to succeed in academics and gave up on life The minute that God entered his life it was transformed In this book readers will experience the different twists and turns on Vernon's academic and professional journey This book will show how he was transformed from a loser to a winner a high school drop out to a person who completed a PhD a laborer to a college campus president a non rated enlisted member to a Senior Chief Petty Officer then a commissioned Chief Warrant Officer from a lost young man to a church leader elder and minister and from a lost young married man to a father and grandfather On your journey though life do not settle by giving up Instead look deep inside yourself and find hope through a personal relationship with God

DeFelice M.D.,2021-06-04 Old timer physician Stephen L DeFelice with no holds barred describes to his grandchildren Olivia and Stephen Carlos how they are rapidly crossing the bridge from the traditional world into the cold controlling world of technology As a result we are all surrendering our privacy and freedom to others while puzzlingly there are few effective leaders to guide and protect us This book analyzes what people and governments are really like the dark side of technology and such subjects as our educational system the media our hate epidemic the sexual revolution evolution and the anti God movements as well as ways to adjust to this new unsettling world of technology He coined an interesting term The Internet Democracy as a major cause behind the dynamics fueling our chaotic technological based cultural explosion Dr DeFelice was born of Italian immigrant parents in 1936 in a home without a television or telephone and has had firsthand the unique privilege of personally observing and analyzing the power of increasing technology and its impact on our changing cultural values over four generations an opportunity that future historians will not have In 1976 he founded FIM the Foundation for Innovation in Medicine whose mission is to accelerate medical discovery [www.fimdefelice.org](http://www.fimdefelice.org)      **Grandpa's Backstory** Larry Taliaferro,2015-05-18 After facing the realization I was going to become a grandfather to a great little boy it seemed important to tell him something about his family history that occurred before he was born With as busy as he is now in college it may be awhile before he slows down long enough to inquire I simply started at the beginning with the first memory I ever had and chronicled many of the meaningful things in my life as I remembered them I documented grade school high school and college experiences I then moved on to my time in the military and in the working world all the while starting a family with a special woman Trudy my wife of nearly forty seven years The highlights in my life get a treatment including my travels and the events that affected me deeply enough to shape my thinking because I also share my many opinions Here then is Grandpa s Backstory Because Somebody Might Need to Know      Grandpa's Third Drawer Judy Tal Kopelman,2014-05-01 Of all the places in the world Uri really loves to be at his grandparents house There he can stay up way

past his bedtime and eat as many sweets from the chocolate box as he likes There s only one forbidden place in that house the third drawer in Grandpa s desk This drawer is locked No one ever opens it until one day when Uri finds the key to the third drawer From that moment nothing is ever the same Grandpa s Third Drawer takes up the difficult challenge of discussing the Holocaust with young children of teaching its heritage and memory all in a gentle and unobtrusive manner The story of a silent grandfather unexpectedly confronted by his curious and loving grandchild is accompanied by rich illustrations that show authentic preserved objects donated by Holocaust survivors from Theresienstadt The original Hebrew edition won the Israeli Ze ev Prize for Children s Literature in 2003 and twice won the first prize in Mits ad Hasfarim for first to third grades in 2003 and 2012 a nationwide survey of all schoolchildren in Israel [Get Conscious](#) Ali Walker, Ph.D.,2017-05-02 In ancient times most people believed that if you traveled to the horizon you would fall over the edge This was a mirage that limited their lives Today the mirage that we all live by is the idea that I will be happy when I will be happy when I am married I will be happy when I leave my job I will be happy when I am on holidays This belief leads to us overthinking and overanalysing all the ways that we might be happier at some point in the future But what if happiness is the wrong aim What if happiness is like the horizon an imaginary line that seems real until we start to chase it Ali Walker shows that instead of seeking happiness in the future we can focus on awareness in each moment training ourselves to generate calming positive and uplifting thoughts and emotions Drawing on her research and her work with clients [Get Conscious](#) breaks down the four elements of self awareness and provides strategies for mastering them Feel honor all emotions Think choose only positive thoughts Sense trust the messages of your body Act go with the flow of life and love Included are case studies rituals exercises and activities to help you tune into your inner wisdom and let self awareness guide you to come alive [Get Conscious](#) moves us out of overthinking and into awareness Let it be the transformation of your lifetime [It Stops Here](#) Rueben George,Michael Simpson,2023-08-29 NATIONAL BESTSELLER SHORTLISTED FOR THE GEORGE RYGA AWARD SHORTLISTED FOR THE CITY OF VANCOUVER BOOK AWARD LONGLISTED FOR THE SCIENCE WRITERS AND COMMUNICATORS OF CANADA AWARD A personal account of one man s confrontation with colonization that illuminates the philosophy and values of a First Nation on the front lines of the fight against an extractive industry colonial government and threats to the life giving Salish Sea [It Stops Here](#) is the profound story of the spiritual cultural and political resurgence of a nation taking action to reclaim their lands waters law and food systems in the face of colonization In deeply moving testimony it recounts the intergenerational struggle of the Tsleil Waututh Nation to overcome colonial harms and the powerful stance they have taken alongside allies and other Indigenous nations across Turtle Island against the development of the Trans Mountain Pipeline a fossil fuel megaproject on their unceded territories In a firsthand account of the resurgence told by Rueben George one of the most prominent leaders of the widespread opposition to the Trans Mountain Pipeline expansion [It Stops Here](#) reveals extraordinary insights and revelations from someone who has devoted more than a decade of

his life to fighting the project Rueben shares stories about his family's deep ancestral connections to their unceded lands and waters which are today more commonly known as Vancouver British Columbia and the Burrard Inlet He discloses how following the systematic cultural genocide enacted by the colonial state key leaders of his community such as his grandfather Chief Dan George always taught the younger generations to be proud of who they were and to remember the importance of their connection to the inlet Part memoir part call to action It Stops Here is a compelling appeal to prioritize the sacred over oil and extractive industries while insisting that settler society honour Indigenous law and jurisdiction over unceded territories rather than exploiting lands and reducing them to their natural resources **Afsun Beyond the Vineyard**
