Friend's Dad Bella Winters,2019-12-11 Why does something so wrong feel so right And would this mean I lose my daughter forever I can't let that happen Boyce I was a broken man trying to heal She was my daughter's best friend Strictly off limits Until that one night when she looked all grown up Vivian The day I lost my parents changed everything Thankfully I found a soft place to land But when I grew up and moved away I couldn't get him out of my head Now I'm all grown up he's single and we're both willing Doctor Nye of North Ostable Joseph Crosby Lincoln,1923 **Blue & Gold and Black** Robert J.

Schneller,2007-12-19 During the twentieth century the U S Naval Academy evolved from a racist institution to one that ranked equal opportunity among its fundamental tenets This transformation was not without its social cost however and black midshipmen bore the brunt of it *Blue Gold and Black* is the history of integration of African Americans into the Naval Academy The book examines how civil rights advocates demands for equal opportunity shaped the Naval Academy's evolution Author Robert J Schneller Jr analyzes how changes in the Academy's policies and culture affected the lives of black midshipmen as well as how black midshipmen effected change in the Academy's policies and culture Most institutional history is written from the top down while most social history is written from the bottom up Based on the documentary record as well as on the memories of hundreds of midshipmen and naval officers *Blue Gold and Black* includes both perspectives By examining both the institution and the individual a much more accurate picture emerges of how racial integration occurred at the Naval Academy Schneller takes a biographical approach to social history Through written correspondence responses to questionnaires memoirs and oral histories African American midshipmen recount their experiences in their own words Rather than setting adrift their humanity and individuality in oceans of statistics Schneller uses their first hand recollections to provide insights into the Academy's culture that cannot be gained from official records Covering the Jim Crow era the civil rights movement and the empowerment of African Americans from the late 1960s through the end of the twentieth century *Blue Gold and Black* traces the transformation of an institution that produces men and women who lead not only the Navy but also the nation *Silently Seduced* Kenneth M. Adams,2011-09-01 When a

parent singles out a child for special privileges and attention that child is often unaware that the relationship is unhealthy even incestuous As adults these children struggle to feel validated because while they have not been directly abused they feel a sense of violation and crossed boundaries usually done in the name of love and caring The parent's love feels more confining than freeing more demanding than giving more intrusive than nurturing Yet these children suffer from what psychologist Kenneth Adams calls The Silent Seduction because there is nothing loving or caring about a close parent child relationship that services the needs of the parent rather than the child In this revised and updated 20th anniversary edition of his groundbreaking book *Silently Seduced* Dr Adams explains how feeling close especially with the opposite sex parent is not the source of comfort the image suggests especially when that child is cheated out of a childhood by being a parent's surrogate partner He offers a framework to understand this covert incest and its effect on sexuality intimacy and

relationships and how victims can begin the process of recovery **Love. Forgive. Live.** Sroda Harriet Aglagoh,2025-05-30 In this inspirational memoir therapist and life coach Sroda Harriet Aglagoh shares her personal story of growing up in Ghana West Africa amid the turmoil of the country's coup in the 1980s Physical emotional and sexual abuse led to trauma induced panic disorder that plagued her life for many years Her personal story and current work as a therapist combine to educate and inspire us to live our lives with passion resilience and hope Join Sroda as she takes you on a journey to answer the questions that bring meaning to life Love Forgive Live is a philosophy of living that came to Sroda one night in a dream after much praying and seeking God for answers In her dream she learned to imagine that life is like an earth boarding school and we are all students sent here to learn three lessons before graduating Love Accept Love to Give Love The lesson of love is at the foundation of our existence because it is about whose we are where we come from and what we are Love defines our true identity You love because you belong to the Creator and are a part of Him and He loves you so much that nothing can keep you away from that love The Creator's love is limitless and never ending There is nothing we can do in order to stop it or block it Therefore believe that you are loved and claim it boldly that you have been a part of the Great I Am all along Then you will have the capacity to give love to others and move toward the next lesson Forgive To Heal Yourself Forgive to heal yourself First believe and accept that you are forgiven of any wrongdoing that you may have done or kept hidden in your thoughts Then forgive others for what they may have done to you knowingly or unknowingly Forgive yourself for not always having the capacity to forgive as it can be difficult and stop blaming yourself when forgiving someone seems impossible Forgiveness has nothing to do with the person who hurt you Instead it frees you from the chain that binds and ties you to the person who hurt you Forgiveness empowers you to release the perpetrator so that you can both move forward Live Practice Presence To truly live is the lesson where we discover our purpose our strengths our joys and our peace In order to live you have to be present and become self aware of your environment and process the information you receive especially from those around you When you are present you begin to pay attention to what people say to you how that affects you and how that applies to you Out of love flows forgiveness and from there comes the freedom to practice presence and truly live It is a gift that you get to unwrap every morning **Choosing a Sustainable Future** Liz Walker,2010-11-23 A small city's big vision that can help transform your own community **Twice** Karen S. Camara,2019-10-17 My name is Ruby and the birthstone Ruby is in part associated with love passion and determination True or not this proved to be prophetic for me especially in my later years when I successfully accomplished a very unusual life mission To explain I had four love relationships during the course of my life all very different in age personality and typical of New York City background Their only commonality was all were intelligent and that was my initial attraction to each Carlos was a teenage friend I dated but with no chemistry between us he never became a lover Daniel was next and my true soulmate However I left him after four years of growing up together since neither of us knew how to handle his drug problem Larry a former high school teacher was during my troubled times

with Daniel but our brief relationship ended after I met and married Bruce my husband for decades Bruce and I married too young and love soon became frustration due to our basic incompatibility With an extremely busy life and financial constraints I no longer believed in true love and accepted the status quo as the path of least resistance When Bruce died unexpectedly I reflected on my entire life and romantic past including the feelings due to my age and life experience at the time Yet each decade redefines one's psychology and historical perspectives Soon after I wanted to try to find my two previous and significant lovers to discover what we really had together as well as to see where life had taken them This would be closure for me Now retired with a wealth of time and financial security I had the freedom for this exploration I had always been adventurous and a risk taker And despite being older my traitorous body was still the sepulcher of my eternally youthful mind And so now I was eager to continue my life journey

Porch Swings and Prayer Rob Goodwin, 2015-02-13 *Porch Swings and Prayer* is a southern memoir about faith family and triumph over tragedy Rob grew up in a rural southern town where hard work and diligent faith in God were two important principles Early in life Rob faced great adversity This is the story of his journey to find a better quality of life living with bipolar depression The love and guidance of maternal grandmother Bertie Mae and her faith based life lessons serve as a catalyst for a happy ending

Dear Da-Lê Anh Duong, 2024-09-21 In an intensely revealing memoir written for his Canadian daughter a man breaks a lifetime of silence about the traumas of his childhood in war torn Vietnam and his years as a refugee in revolutionary Iran Spanning decades and generations this heartfelt memoir began as a series of letters from a worried father Anh Duong had witnessed terrible things as a child during the Vietnam War and later as a refugee in Iran during the revolution of the late 1970s But like many in the Vietnamese diaspora he had remained silent about his experiences believing that trauma was better left unspoken However when his daughter became involved in student protests Duong felt compelled to speak about his own experience of uprisings In precise prose *Dear Da L* moves along a taut narrative thread that begins with Duong's birth in 1953 and ends with his arrival frayed and broke in Canada in 1980 With surprising moments of hope and tenderness amid brutal divisions the author creates a coming of age story intertwined with the human costs of war and exile Its revelations are sure to resonate not only with the generation born to refugees of the Vietnam War but with anyone seeking to understand the lasting often hidden torments of violent conflict and the healing that can take place in the act of telling

Walk with the Devil Zakariah Ali, 2012-11 I was profoundly touched by evil at the dawn of my life and have been haunted by the experience throughout most of my life My mother was poisoned before my eyes at about age four I grew up on that that fateful day and became aware of myself I was touched by evil and the wickedness of man against man at the dawn of my life She died an agonizing and horrible death The room I shared with her smelled like rotten flesh or putrefied meat before her death But the last time I saw her on earth she looked radiant and was miraculously transformed when I saw her seated in the village square for public viewing She was at peace the lines and marks of pain and anguish etched on her face as she lay dying were smoothed out Her countenance was

peaceful devoid of the expressions of agony and pains the hallmark of the last three to four months of her life She was beautiful in death than during the last months of her life death gave her peace I did not know it but I was affected or influenced by the events of my mother s last days on earth I do not fear death and whenever I came close to death I was more concerned about the inconvenience my death would have imposed on others than fear for my life Death is not a bogey man About a year after her death I encountered malicious spirits in the bush I did not know the spirits were not human but I was apprehensive and fearful at the sight of little people under the fruit tree on which I sat The spirits chased me from the bush to the village during the chase the earth opened up and swallowed me for my protection And not to be outdone the spirits followed me into the bowels of the earth That was the second time in my young life that I was touched by evil of a different kind I nearly died from the encounter with the malicious spirits I was reunited with a father I did not know I had before my mother s death But about three years after I was reunited with him he walked out on my new family my stepmother and her children Thus by age seven or eight I had gone through two broken homes First my mother walked out on my father when I was a baby and second my father walked out on my new mother and half siblings For most of my life I was haunted by forces of darkness malevolent spirits and scary nightmares from time to time Scary and haunting nightmares led me to discover the power of prayer very early in life I started praying before going to bed when I was in class three and the nightly nightmares ceased until I was a young adult and went to St John Bosco s College I discovered alcohol and began ignoring and skipping my nightly prayers or prayed haphazardly without heart and the nightmares came back I was hospitalized about five times in one year from the effects of a nightmare and vision when I was a student at the University of Science he did not foist his faith on the rest of the family My stepmother followed no particular faith or organized religion until the last days of her life She was animist she worshipped our ancestral spirits and deities I became a Catholic or Christian by virtue of education my father made no attempt to convert me to Islam The family while together was united by love not by faith each member followed his her own faith I could not reconcile my new faith with my parents and realized that but for love we would not have known peace in our family We are divided by faith but united by love that was the experience from my upbringing My lack of blind faith is influenced by my upbringing Man as God and Satan I understand the meaning of some popular bible passages different from most because of my experience of the forces of darkness my struggle in life against evil witchcraft and malicious spirits I understand the true meaning of the passage in Luke 17 20 21 For indeed the kingdom of God is within you And the adm
