Dominatrix Boss: A BdsM Femdom Tale Asher Lake, 2018-09-10 Tim wanted to kneel before his beautiful boss Ava more than anything But the reality might be more than he can handle What begins as a fantasy soon becomes a journey into real domination and submission that will change both Tim and Ava forever From the Book I felt so small and embarrassed Staring at me is one thing It would be well within protocol to write you up for that alone However these websites are a violation of company Internet policy and subject to immediate termination at my discretion My mouth dropped open and I struggled to say something I needed this job Ava grabbed the papers from my hands and leaned on the edge of her desk She crossed her ankles and started thumbing through the log of websites What is femdom Tim Oh Ava are you sure you want me

to Let s hear it Tim I want to know what s so important that you would risk your job Well it means female domination And that is Ava No I want to know It s when someone is submissive to a dominant woman It s a type of relationship where the woman is completely in charge Keep going It often involves humiliation corporal punishment chastity or service just talking about this was both excruciatingly embarrassing and unfortunately exciting to me Really whatever the woman wants She clicked her tongue What you do on your own time is your business Tim but surely you don t think it s appropriate to look at sites like that at work No no no no I shouldn t have ever done that I m so embarrassed If you ll forgive me I promise to never do that again I looked up at her but she was still looking at the pages Ava sat the pages down on her desk and leaned forward she was inches from my face I could smell her perfume this close and it was intoxicating You re going to have to do better than that She emphasized every word of this next sentence I want to hear you beg for your job

she held me completely helpless against the smooth oak of my desk Because I m beginning to like you because in a certain way I can admire stubbornness I m going to teach you very simply and here in private just how out of your depth you are I tried to say something but her hand against my back was compressing my chest against the desk too forcefully to draw full breath Instead all that emerged was a whimper *My Boss My Mistress* Roberta Franklin,1973 **An Education in Femdom: Testing His Limits (Femdom, Pain Play, Discipline, Humiliation)** Nina Nauheim,2014-10-03 Reader Advisory This story is for mature audiences only and features intensely erotic situations femdom bdsm play discipline pain play bondage humiliation submissiveness and dominance All characters are 18 or older It s been three days since Adam arrived at the mistress s house but when looking back on them he remembers only a whirlwind of new experiences that overwhelm any sense of time In only that short period it has fulfilled all the lofty hopes that brought him here but it has awakened new deeper secret hopes as well In quiet moments he even dares to think that it is special to the mistress too even as experienced and worldly as she is As together they delve ever deeper into the submissive dominant relationship and push at the boundaries of what Adam thought himself capable of and comfortable with the promises that they would not become too attached begin to erode In the heat of the moment and the moments get very hot indeed who can say what will be said and what plans may be changed to address these unexpected feelings Excerpt She had lowered herself so that she was sitting on my thighs her skin against mine Her hand rested on my hip as she continued to hold my face towards her with her other hand It was a symbolic gesture I could never have looked away now She was praising me for things I had never known about myself but now that she had said them and said that she liked them I couldn t bear the thought of being any other way So I looked at her submissive and patient for her to do what she clearly wanted to so badly She produced a match from her pocket struck it and lit the candle before setting it aside on the floor The clean scent of its smoke infused the air Do you trust me Adam she asked Yes Mistress Good she said That s good Because this isn t something I would do with just anyone I trust you Mistress I repeated But even so my chest felt tight She laid a hand on my on the pale sensitive skin of my stomach She could feel my slight trembling She could see the trepidation that in spite of my need to please and be brave and be open minded I could not shut out entirely If it becomes too much for you I want you to tell me she said I want you to say so alright I want you to say Awry Awry I repeated This is a safe room she said where two people who trust each other can explore things that they would not do with other people I watched her still at a complete loss for what was about to happen I pulled lightly at my wrists The bondage I understood The bondage I liked But it also made what was coming all the more terrifying whatever it was But I was grateful that she was speaking this way with me It reminded me why I was not in my conscious mind afraid

Over My Boss's Knee: The Day He Found out My Spankings Turn Me On Jessica Whitethread, 2014-04-25 Reader Advisory This story is for mature audiences only and features intensely erotic situations bdsm play spanking humiliation discipline punishment submission and dominance. All characters are 18 or older. Emma's young and handsome boss has always taken a special interest in her ever since she first came to work for him at the age of sixteen. After Emma loses the order form of a very important client he punishes her as he often has before with a sound spanking. But on this occasion she settles onto his lap to savor her punishment under his strong hands only soon to find herself in the throes of a very loud orgasm. When questioned she is forced to admit that she has always been hopelessly aroused by the discipline her boss administers. Now that all feelings are out in the open will this day prove a nightmare or fulfill the fantasy she has never allowed herself to believe was possible.

Excerpt After that long delightful moment had passed I opened my eyes He had stopped hitting me The room was quiet I could feel a dribble of liquid running down the inside of my thigh and seeping into the fabric of his pants Stand up Emma he said quietly Shakily and with his help I lifted myself off his legs and started to stand I wobbled for a moment and then found my balance and he took his steadying hands away I kept my eyes locked on the ground I couldn't bear to look at him That's never happened before he said his tone deceptively mild My cheeks burned hotter but I could not think of anything to say Would you care to explain it My eyes locked on the floor and my face growing redder still I shook my head I thought I was joking when I said you enjoyed being disciplined he said But it's true isn't it I bit my lip trying to tell myself this was all a bad dream and what had just happened had not actually happened All this time I thought I was punishing you when you got out of line but you've been enjoying it Answer me I drew in a shuddering breath and managed to look at his feet Yes sir I said I physically recoiled as the word sir emerged from my mouth again I'm sorry I blurted close to tears I never I mean it's just I didn't mean to I'm sorry I don't try to make you angry with me or anything It's just the way it affects me The way being around you I clamped a hand over my mouth horrified that I had said too much Even without glancing up I could feel the way he was looking at me I stared at the floor and noticed that my skirt was still pulled up and my panties still bunched Another hot wave of humiliation rose in me at the sight of myself and I hurriedly straightened my underwear and pulled my skirt down Perhaps this explains a few things he said Maybe I should not be so surprised Maybe it's my fault that I did not see it before I dared a shy glance up at him to see how mad he looked To my relief his expression was thoughtful rather than the anger or betrayal I had dreaded seeing there Well clearly Emma the arrangement we have been operating under cannot continue can it You've given me a lot to think about Nervously I straightened my skirt again If only he would say something definite something to indicate how he felt about this I could not deny that a small part of me wanted him to be glad or maybe even a little intrigued But that was just a childish fantasy too much to hope for I think it would be best if you took the afternoon off he said after a moment But it's clear we need to talk about this when there isn't work to be done Come by my apartment would you after I've locked up for the night I bobbed and nodded Yes s I shook my head as though to clear it and began to move towards the door And Emma he said Yes You haven't lost any more orders you might want to tell me about have you I shook my head even my ears burning at this final jab and left the room

Femdom Class for the Jock (Student/Teacher Femdom Discipline and Humiliation Erotica) Nina Nauheim, 2015-04-16 Reader Advisory This story is for mature audiences only and features intensely erotic situations dominant women and submissive men taboo teacher student relations bdsm play discipline spanking and humiliation All characters are 18 or older Peter Leyton has always found ways of using his good looks and athletic talents to get ahead and when he arrives in college it doesn't look like that's going to have to change But his easy ride runs out when his professor Sarah Kelly notices him flirting with a female classmate only to copy her course work The domineering and ever so sexy professor decides it's time to teach Peter a little personal responsibility and maybe show the testosterone charged young man just what a woman who actually knows how to handle him looks like Excerpt You know Professor I begin I understand why you have me cleaning the classroom I'm really learning a lesson But as for talking to Jessie I really don't understand why that's so necessary How do you know I don't like her I shrug my shoulders That's the sort of thing I get to decide for myself isn't it I'm not just a child you get to push around like that I wince slightly as I hear the last words come out

of my mouth That may have been taking it too far but it was where the conversation was headed anyways That s a very interesting perspective Peter she says in a neutral voice But surely if you cared about her you wouldn t be manipulating her into giving you her work when she clearly didn t want to I roll my eyes in dismissal Professor I say is it really that simple Sometimes you need something from someone that s all It doesn t hurt her any if she helps me out just like it doesn t hurt you any if you forget this whole thing ever happened I put a little emphasis on the if I m not obvious I think but I do it just enough that he ll interpret the sentence the way I mean it She sits back and considers me for a long moment taking me in all of me I find myself suddenly a little bit self conscious but try to shake the momentary weakness out of my head What are you doing Peter she asks Why do you think it s appropriate to act this way I try to meet her gaze but I m finding it increasingly difficult Like what Professor You always trying to push people around to get what you want Do you think I m some kid who ll go weak kneed if you flex your muscles What are you talking about Professor I ask as innocently as I can mentally backpedaling as my heart begins to hammer She seems angry It s suddenly obvious to both of us that I don t have the courage to go through with my implied threat What am I talking about She asks incredulously No enough I ve wasted too much time trying to teach you like an adult and give you the benefit of the doubt I can see now that I was wrong from the beginning She stands up angry and strong and almost as tall as I am but still managing to look down at me somehow She grabs me by my arm and pulls me to face her Look at yourself she says Do you think this is an acceptable way to behave How far in life do you think this sort of stunt will take you I look at her unable to speak There isn t anything to say But there s something about the way she s looking at me almost like she knows she s supposed to be angry but she s responding in a different way instead almost like she s noticing me the way I noticed her along the pathway this morning now that we re so close I draw in a faltering breath Notice This title includes themes and passages that have been adapted from Jessica Whitethread s Caught By My Professor with full consent of the original author *Spanking After Class (Femdom Student/Teacher Discipline and Humiliation Erotica)* Nina Nauheim,2015-04-23 Reader Advisory These stories are for mature audiences only and feature intensely erotic situations dominant women and submissive men taboo teacher student relations discipline spanking and humiliation All characters are 18 or older Jackson doesn t know why he started the rumor about Professor Eliza Richardson his young and beautiful economics professor Maybe it was a plea for attention or maybe it was just a way of making a long hidden fantasy become slightly real But whatever the reason the rumors have made their way to the Dean of Student Affairs Ms Clay herself and when Jackson is called down to the office on a Friday afternoon he finds out the dean s heard a lot more Once past the initial mortification he can admit he s probably earned the spanking she ll give him but did Ms Clay really have to tell Professor Richardson about the whole thing too Surely the professor will find her own ways to settle accounts and all Jackson can do is wait and see which method will leave him more sore Excerpt The ensuing silence was awful After daring the initial glance towards Professor Richardson my eyes had stayed locked on a spot on the floor near the leg of the desk I could feel her

considering me Won t you say something Professor I finally blurted I m trying to understand you Jackson What s to understand I shouldn t have said I just made a mistake What did you want I struggled with the question I guess I just sort of liked the idea of it to tell the truth I said finally in a very quiet voice I m just so incredibly embarrassed Professor She blinked in surprise Then she started to laugh Is that what it was she said I thought I saw something in the way you looked at me and it made the lie all the harder to understand She closed the door of the office and stepped into the room But then again if you knew the headache what a stupid thing I m sorry She billowed the top of her blouse with a hand and ran frustrated fingers through her lustrous dark hair Even though it was wildly inappropriate given the situation I couldn t help but find her even more alluring when angry than when she was calm and collected She seemed simultaneously capable of anything and yet in control I got the sudden and very strange insight that she had probably been the type to get into a lot of trouble when she was younger She turned back to look at me and caught me staring Her eyes locked to mine freezing me in place and I watched a faintly appraising look come into her face Her full lips pursed thoughtfully Well what are we going to do about this she asked The question sounded rhetorical so I watched her without answering Tell me she said walking over to lean against the desk only a couple feet from me What is it exactly you told people I did Notice This title includes themes and passages that have been adapted from Jessica Whitethread s Naughty Rumors with full consent of the original author
