The Steps We Take Ellen Ann Fentress, 2023-08-23 Chosen as Mississippi's 2024 Great Read for Adults by the Mississippi Center for the Book. Ellen Ann Fentress is a veteran writer for the New York Times, the Washington Post, and The Atlantic. She is also a seasoned southern woman, specifically a white Mississippi one. Women do a lot for free, no matter the era, no matter the location, she observes in *The Steps We Take: A Memoir of Southern Reckoning*. As a good southern woman, Fentress felt a calling to help others. As a teenager, she volunteered as a March of Dimes quarter collector and sang hymns at a soup and salvation homeless shelter. Later, she married, reared two daughters, renovated a 1941 Colonial home, practiced her French, and served as the bookkeeper for her husband's business. She followed the scripts she was handed by society. But there were the convenient lies and silences that she and most southern white women have settled on in the name of convention, and to be honest, inertia. For Fentress, her dodges both behind her front door and beyond became impossible to miss. Eventually, along with claiming a personal second act at midlife, she realized the most urgent community work she could do was to spur truth telling about the history she knew well and participated in. She was one of the nearly one million students in the South enrolled in all-white segregation academies, a sweeping movement away from public education that continues to warp the Deep South today. To document and engage with this history, she founded the Admissions Project, *Racism and the Possible in Southern Schools*, which has been featured in the Washington Post, Slate, Forbes, and other publications. *The Steps We Take* tells how one woman reckons with both a region's history and her own past. Through a lens ranging from intimate to the widely human, through moments painful and darkly comic, Fentress casts a penetrating light on what it means to be a white southern woman today.

A Woman From Syria Lady X, 2014-05-19 It is an autobiography of a Syrian woman's unusual life and eighty years of experience. Some years were happy and others were sad. The Syrian society is not widely known, and reading her book, one can get an idea about that country and its society, traditions, and the different religions and sects. I am introducing Syria and my life to the reader.
