

My Aim in Life paragraph

A person without an aim is like an arrow without a target. A man without aim can have no success in life. I have also an aim in life. I want to become a good teacher. Teaching is a noble profession. Ideal teachers are the pride of a nation. They are the ones who shape the future of the country. By becoming a teacher I will advice my students to follow the path of truth and goodness. I want to be their friend, philosopher and guide. I want to bring light of knowledge in the lives of the people.
