Diem, This bundle contains books four to six of the Saige Sterling Badass Bounty Hunter series Toxic Saige should know better by now but she can't seem to stop making dubious deals with sketchy beings It always seems like a good idea at the time but inevitably ends up biting her on the butt later The badass bounty hunter finds herself in a situation where she needs to call on backup outside of her job Her mom will need to come out of retirement to assist her with a private mission They won't be alone during their dangerous endeavor since Aurora will also be getting in on the act Saige's love life is as rocky as ever and Lord Gilden keeps distancing himself from her Something will have to give because she can't keep putting herself through the emotional turmoil The dragon needs to make up his mind whether to man up and admit his feelings for her or to end the

rollercoaster ride they're stuck on Redux Being the best bounty hunter in Nexus is awesome but it comes with a price Saige Sterling's fame is growing and her services are in increasingly high demand When one of Lord Gilden's allies requests her assistance she has no choice but to accept If she messes this job up Saige could end up making a powerful enemy Drake has a mission for his entire team and they'll have to work together again The evil fairy they've been hunting is gunning for the weredragon She has a grudge against him and she won't stop until one of them is dead Saige's romance with her boss becomes even more precarious when a secret he's been hiding comes to light She'll need to come to terms with what she's learned when she Aurora and Ruen are sent to the fifth realm of the underworld They're at the halfway mark of retrieving all nine fragments of the spell but stealing them from the guardians is never easy Apex Working two jobs and not getting enough sleep is making Saige Sterling a very cranky bounty hunter As if that isn't bad enough Lord Gilden has found another way to punish her for quitting He's forcing her to watch him pay her colleagues their bounties Saige knew right from the start that this arrangement wasn't going to end well Things take a turn for the worse when someone starts pranking her She knows who is responsible for her torment but there's little she can do about it Drake is aware that Saige has a temper at times He discovers exactly how hot her rage can flare when her control finally snaps He'll be stuck with the job of fixing the problem he created when he'd chosen his method to punish her for walking out on him *Hear No Evil* Suzanne Rossi, 2012-06-22
