Friends' Review Enoch Lewis, Samuel Rhoads, 1848 A religious literary and miscellaneous journal The Pentateuch of "A" Dictionary of the English Language Robert Gordon Latham, 1876 **Bridging Eight Decades** Harold Kieler, 2004-12-01 Like a wheat weaving this memoir weaves together many strands of interest With Her Own Wings Helen Krebs Smith, 2008-10-01 Documented historically accurate narratives and thumbnail sketches comprise this outstanding contribution to the study of Pioneer life in Oregon from the viewpoint of pioneer women The Mommy Myth Susan Douglas, Meredith Michaels, 2004-03-26 Susan Douglas first took on the media s misrepresentation of women in her funny scathing social commentary Where the Girls Are Now she and Meredith Michaels have turned a sardonic but never jaundiced eye toward the cult of the new momism a trend in American culture that is causing women to feel that only through the perfection of motherhood can true contentment be found. This vision of motherhood is highly romanticized and yet its standards for success remain forever out of reach no matter how hard women may try to have it all The Mommy Myth takes a provocative tour through the past thirty years of media images about mothers the superficial achievements of the celebrity mom the news media s sensational coverage of dangerous day care the staging of the mommy wars between working mothers and stay at home moms and the onslaught of values based marketing that raises mothering standards to impossible levels just to name a few In concert with this messaging the authors contend is a conservative backwater of talking heads propagating the myth of the modern mom This nimble assessment of how motherhood has been shaped by out of date mores is not about whether women should have children or not or about whether once they have kids mothers should work or stay at home It is about how no matter what they do or how hard they try women will never achieve the promised nirvana of idealized mothering Douglas and Michaels skillfully map the distance traveled from the days when The Feminine Mystique demanded more for women than the unpaid labor of keeping house and raising children to today s not so subtle pressure to reverse this thirty year trend A must read for every woman The Railway Conductor ,1899 Sisters in the <u>Life</u> Yvonne Welbon, Alexandra Juhasz, 2018-03-15 From experimental shorts and web series to Hollywood blockbusters and feminist porn the work of African American lesbian filmmakers has made a powerful contribution to film history But despite its importance this work has gone largely unacknowledged by cinema historians and cultural critics Assembling a range of interviews essays and conversations Sisters in the Life tells a full story of African American lesbian media making spanning three decades In essays on filmmakers including Angela Robinson Tina Mabry and Dee Rees on the making of Cheryl Dunye s The Watermelon Woman 1996 and in interviews with Coquie Hughes Pamela Jennings and others the contributors center the voices of black lesbian media makers while underscoring their artistic influence and reach as well as the communities that support them Sisters in the Life marks a crucial first step in narrating the history and importance of these compelling yet unsung artists Contributors Jennifer DeVere Brody Jennifer DeClue Raul Ferrera Balanquet Alexis Pauline Gumbs Thomas

Atlantean Dan Frishling, 2021-09-22 Atlantis You re kidding No I m not Doctor Wolfcub retorted Examine the facts Falcon Other than this single recollection we know nothing about you Except that a team of assassins put a slug through your brain That the damage was extensive That you ve spent the last twenty six years in a coma and awakened with no memories of your past life In fact if not for your medical bracelet we wouldn't even know your name And lastly or perhaps a better word would be strangely your appearance hasn t changed since the day you were shot But coma or not Doctor We re talking about me participating in events that took place thousands of years ago I countered rolling my eyes Which suggests that either I m an immortal or else we must consider this recollection as an imaginative fantasy And yet as inexplicable as it may be I am serious the doctor insisted What you ve described through the eyes of a fourteen year old is no less than the creation history and culture of the legendary Atlantis Join Falcon on her exciting journeys As a young girl we follow her tribe s transformation from European cave dwellers into the Island's advanced society As a teenager she sails to ancient Egypt as a seeker of knowledge and technologies ending up participating in activities that lead to the elevation of Osiris Isis and Horus to the status of gods And upon maturity she witnesses events that are enshrined in the Bible Are these journeys just a convalescing woman's hallucinations or is Falcon an immortal Six Steps to Increased Fertility Robert L. The authors don't just use religious words texts theologies or liturgies like a cookbook Instead they serve readers something closer to a real meal prepared with love and intention Each essay shares one piece of its writer s heart one chapter of experience as refracted through the author s particular Jewish optic The authors write about being daughters mothers sisters partners lovers and friends They share their experiences of parenting infertility and abortion One describes accompanying her young husband through his life threatening illness Another tells of her daughter's struggle with an eating disorder Still another reflects on long decline of a parent with Alzheimer's All these writers wrestle with Jewish texts while growing as rabbis as feminists and as interfaith leaders They open their hearts and minds telling when Jewish tradition has helped make meaning and on occasion when it has come up empty The results are sometimes inspiring sometimes provocative Readers will find new insights into God into Judaism and into themselves Choreography and Corporeality Thomas F.
