The Efficient Practice David L. Lawrence, 2014-02-17 An essential guide to tools and techniques for achieving efficiency productivity and profitability in financial advisory firms As a profession financial advisors have been very well educated on how to be a financial advisor but the industry does a poor job of preparing financial advisors to be great business owners This book presents the Profit Driven Architecture a visual way of viewing the operational structure of a financial practice Provides a concrete way of understanding and improving the interrelationship of different parts of the operations of a financial practice firm Explains how to increase the efficiency productivity and profitability of the firm recognizing the interrelationships with one another Reveals how to increase the capacity and value of the practice Given an aging population of financial advisors and increased focus on succession planning increasing the value of a financial practice is a key deliverable of efficiency and this book showcases the best ways to do so

Office 2007: The Missing Manual Chris Grover, Matthew MacDonald, E. A. Vander Veer, 2007-04-27 Quickly learn the most useful features of Microsoft Office 2007 with our easy to read four in one guide This fast paced book gives you the basics of Word Excel PowerPoint and Access so you can start using the new versions of these major Office applications right away Unlike every previous version Office 2007 offers a completely redesigned user interface for each program Microsoft has replaced the familiar menus with a new tabbed toolbar or ribbon and added other features such as live preview that lets you see exactly what each option will look like in the document before you choose it This is good news for longtime users who never knew about some amazing Office features because they were hidden among cluttered and outdated menus Adapting to the new format is going to be a shock especially if you re a longtime user That s where Office 2007 The Missing Manual comes in Rather than present a lot of arcane detail this quick friendly primer teaches you how to work with the most used Office features with four separate sections covering the four programs The book offers a walkthrough of Microsoft s redesigned Office user interface before taking you through the basics of creating text documents

spreadsheets presentations and databases with Clear explanations Step by step instructions Lots of illustrations Plenty of friendly advice It s a great way to master all 4 programs without having to stock up on a shelf load of different books This book has everything you need to get you up to speed fast Office 2007 The Missing Manual is truly the book that should have been in the box

Word 2007 for Starters: The Missing Manual Chris Grover,2007-01-25 Fast paced and easy to read this concise book teaches you the basics of Word 2007 so you can start using the program right away Not only will you learn how to work with Word s most useful features to create documents format and edit text share the results and more you ll also discover how to go beyond basic documents to handle graphics create page layouts and use forms and tables The new Word is radically different from previous versions but with this convenient book you can breeze through the new user interface and its timesaving features in no time with Clear explanations Step by step instructions Lots of illustrations Larger type Plenty of friendly advice Word is used primarily for word processing but there s more to this powerful program than meets the eye It also offers a staggering array of advanced features that were once found only in page layout programs and graphics software Many of these features are hidden among Word s cluttered menus and even the pros can t find them all For Word 2007 Microsoft redesigned the user interface completely adding a tabbed toolbar that makes every feature easy to locate Unfortunately Microsoft s documentation is as poor as ever so even if you find the features you need you still may not know what to do with them Word 2007 for Starters The Missing Manual helps you master Word s redesigned user interface and gives you exactly what you need to create unique attractive and effective documents

Excel 2003: The Missing Manual Matthew MacDonald,2004-12-22 Whether you are an Excel neophyte a sophisticate who knows the program inside out or an intermediate level plodder eager to hone your skills Excel The Missing Manual is sure to become your go to resource for all things Excel Covering all the features of Excel 2002 and 2003 the most recent versions for Windows Excel The Missing Manual is an easy to read thorough and downright enjoyable guide to one of the world s most popular and annoyingly complicated computer programs Never a candidate for the most user friendly of Microsoft programs Excel demands study practice and dedication to gain even a working knowledge of the basics Excel 2003 is probably even tougher to use than any previous version of Excel However despite its fairly steep learning curve this marvelously rich program enables users of every stripe to turn data into information using tools to analyze communicate and share knowledge Excel can help you to collaborate effectively and protect and control access to your work Power users can take advantage of industry standard Extensible Markup Language XML data to connect to business processes To unleash the power of the program and mine the full potential of their database talents users need an authoritative and friendly resource None is more authoritative or friendlier than Excel The Missing Manual Not only does the book provide exhaustive coverage of the basics it provides numerous tips and tricks as well as advanced data analysis programming and Web interface knowledge that pros can adopt for their latest project Neophytes will find everything they need to create professional spreadsheets and become confident

users Excel The Missing Manual covers worksheet basics formulas and functions organizing worksheets charts and graphics advanced data analysis sharing data with the rest of the world and programming If you buy just one book about using Excel this has GOT to be it This book has all you need to help you excel at Excel How to Write Your Own Effective Employee Handbook in 1 Hour Or Less ATLANTIC PUBLISHING GROUP,Atlantic Publishing Group Inc. Staff,2013-12-31 No matter the number of employees working at your business employment policies should be distributed in writing to every employee An employee handbook is the most important communication tool between you and your employees A well written handbook sets forth a company s expectations for its employees and describes what they can expect while working for the business An employee handbook should describe the employer s legal obligations and the employees rights The U S Supreme Court has ruled that businesses can protect themselves against damages from employee lawsuits by providing clear written policies covering the rights and responsibilities of their employees Even if you have only one employee a written handbook could keep you out of court Written policies provide the principles and a basis for how businesses can manage their employees The employee handbook can help prevent misunderstanding by listing the company s policies so employees and managers know what is expected of them A handbook will also assist with employment law compliance A written employee handbook gives everyone including management the same set of rules to follow How to Write Your Own Effective Employee Handbook In One Hour Or Less is the ideal solution for producing your own handbook quickly and efficiently The companion CD ROM contains an employee handbook template in Microsoft Word format which you can easily edit for your own purposes Essentially you just need to fill in the blanks The book discusses various options you might have in developing the policies Our employee handbook has been edited and approved by attorneys specializing in employment law Developing your own handbook now could not be easier or less expensive The companion CD ROM containing the template is available in both English and Spanish on a single disc The following topics are covered in the new 2011 edition of the book at will employment equal opportunity employment sexual harassment immigration law criminal convictions probationary periods personnel files orientation exempt and non exempt employment classifications pay periods breaks time keeping overtime performance reviews expense reimbursement attendance meetings telecommuting holidays vacations drugs and alcohol workplace violence and weapons smoking food and beverage areas attire telephone use use of company property safety and security confidential information conflicts of interest employment of relatives sick leave disability leave medical leave leave of absence jury duty military duty benefits eligibility medical insurance retirement plans employee discounts workers compensation COBRA termination and termination process With this new book there is finally a cost effective solution for developing your own employee handbook for the small to medium sized business owner Simply review the more than 100 polices already written for you and insert your own information when prompted The template comes complete with a table of contents introduction and a form for each employee to sign acknowledging receipt of the manual **Word 2007** Chris
