

End Of School Year Prayer **For Students**

Dear God,

As we come to the end of this school year, we offer our thanks and praise to you for the dedication and hard work of the students. We thank you for the perseverance they showed in the face of challenges, the kindness they showed to their classmates, and the growth they achieved in their academic and personal lives.

As they prepare to move on to the next phase of their journey, we pray that they would be filled with a sense of accomplishment and satisfaction. May they see the progress they have made and the impact they have had on the lives of others.

We pray that the summer break would be a time of rest and rejuvenation for the students, and that they would return in the fall with renewed energy and enthusiasm. May they continue to learn and grow, both academically and personally, and may they be a positive influence on their peers and their community.

We ask for your blessings upon the students, their families, and their teachers. May they be filled with gratitude for the opportunities they have had and the gifts they have been given. May they always be guided by your wisdom, your love, and your grace.

We offer this prayer of blessing in your holy name, Amen.
