## Daily Academic Vocabulary

### imply • implication • contend

**imply**  
(verb) To suggest or mean something without actually saying it. When you use an angry tone of voice, you **imply** that you are upset.

Say: We know that sometimes a speaker or writer may mean more than her words say directly. When this happens, we say that someone has **implied** an unspoken or sometimes meaning. Ask: Suppose I said (say in a hiving voice), "That table looks very dirty." Do I mean anything more than that the table is dirty? What did I **imply**? (Clean the table.) Then say: Sometimes you can tell by the way a question is asked that the person expects a particular answer. The answer is **implied** by the question. (e.g., "What time are you be doing your work now?" Then the answer is implied by the question.)

Use the reproducible definitions on page 163 and the suggestions on page 6 to introduce the words for each day.
